Let us remember that without intelligence, judgement, and REFLECTION we have nothing. Intelligence controls all progress; judgement encompasses all that is right and wrong, good and bad; and reflection calls to mind all times — past, present, and future. What thin partition lies between reflection and remembrance; reflection lets us remember and consider what is behind and evaluate what is to come.

Reflect in ourselves and we find the secret of our ways. We are what we were. We leave Santa Clara with Christian ideals and clutch resolutions and dreams of greatness. We will help or hinder the world by the small measure in which empires are built and felled. We are the most vital source today; we are the link between the past and the future — we are the present. Let us REFLECT on that.

IN LOVING MEMORY
The Rt. Rev. Msgr. Anthony
J. Jacobs.

It is not good to think only of ourselves; let us reflect on others, too. Especially, let us reflect on one to whom we owe a great deal—MSGR. ANTHONY J. JACOBS.

Monsignor helped us so much, so often. He freely gave his advice, help, and guidance whenever it was asked or needed. As a school we are in honorable debt for he labored for our constant advancement and expansion.

A learned man, being personal or businesslike as the case called, he lived for his parish, his people, and his schools. We were very much a part of him, and now he is gone. And though we live to go farther, conscious of that part of himself he has shared with us, we miss him and look back and remember...

Students, Faculty and Parents
SANTA CLARA HIGH SCHOOL
Oxnard, California

Dear Friends:

I am proud to be chosen one of you, a sharer with you in the noble tradition of Santa Clara.

As you benefit from the labor of love that was done before you on the part of those who founded our school and set its early pathways, so I benefit from the great sacrifices of Monsignor Jacobs and the other pastors who preceded me.

May we be worthy of the past and courageously take up the challenge to do our part to advance the cause of Santa Clara High School in her contribution to the education of Catholic youth.

Very sincerely yours,

Joseph F. Sharpe
Right Reverend Joseph F. Sharpe
Pastor

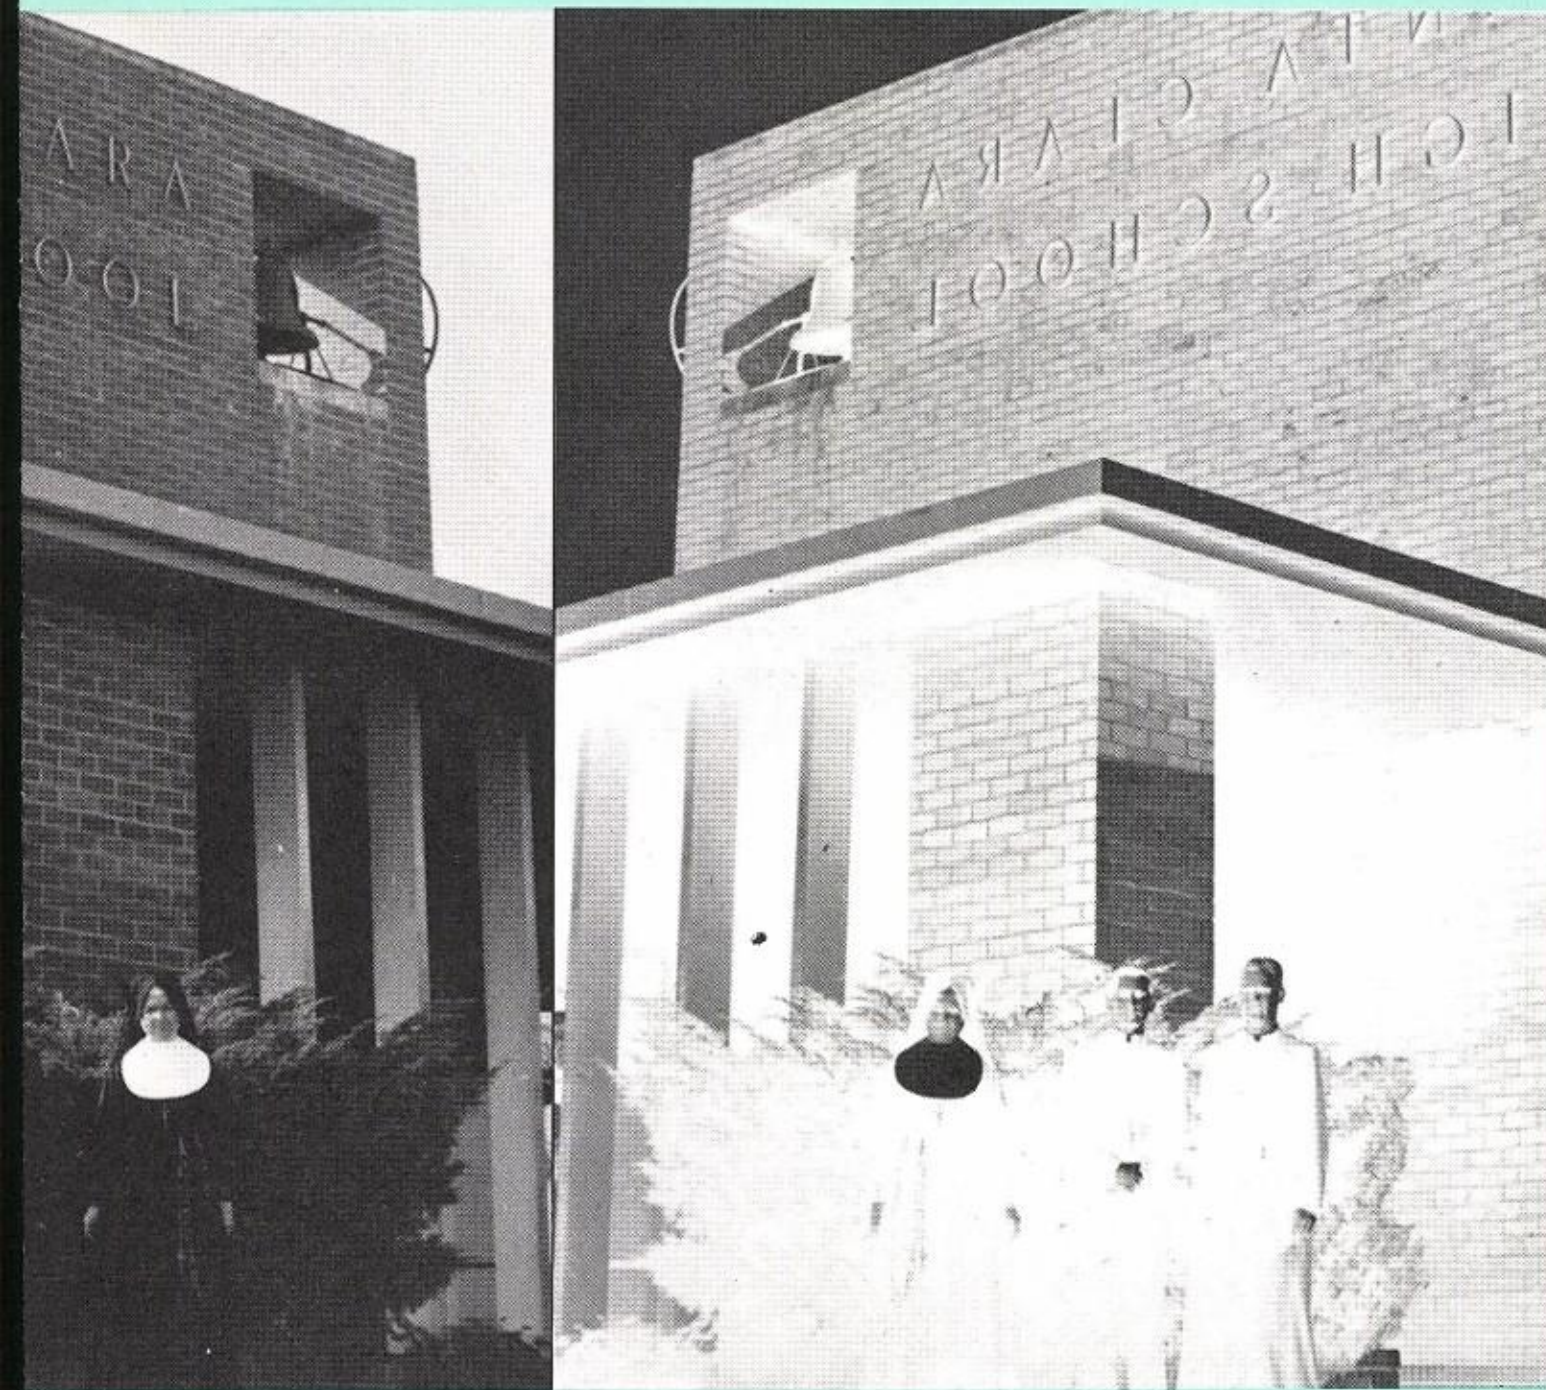

The Rt. Rev. Msgr. Joseph F. Sharpe provides constructive leadership for Oxnard's Catholic citizens. John Tomko calls at Santa Clara rectory in recognition of greatness of direction in modern Christian growth.

'Tis not too late to seek a newer world.
Push off, and sitting well in order smite
The sounding furrows; for my purpose holds
To sail beyond the sunset, and the baths
Of all the western stars, until I die."*

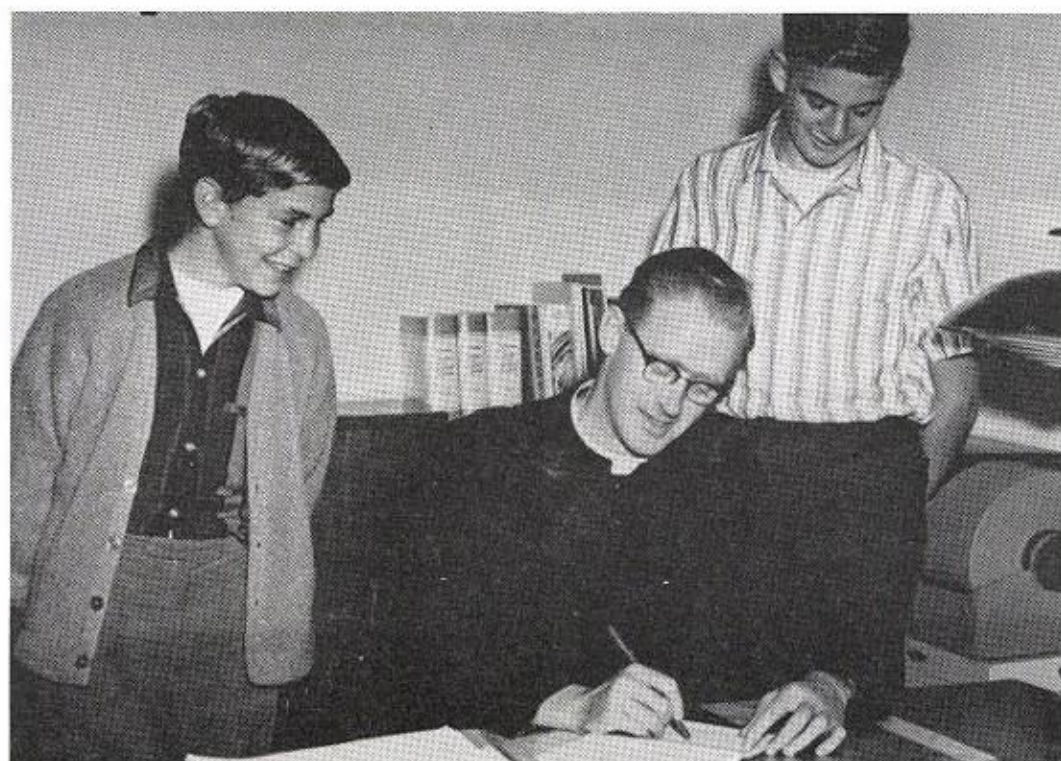

ADMINISTRATION

Under the competent leadership of Rev. Carrol O'Sullivan, Principal, the faculty and students of Santa Clara High School share the relationships of teacher and student, counselor and friend, identified in the educational task of a Christian community. Paul Miller takes advantage of this kind of growth.

Sister Mary Robert, Girls' Administrator, outlines the order of the day with dependable office workers—Sandra Bulger and Diane Case.

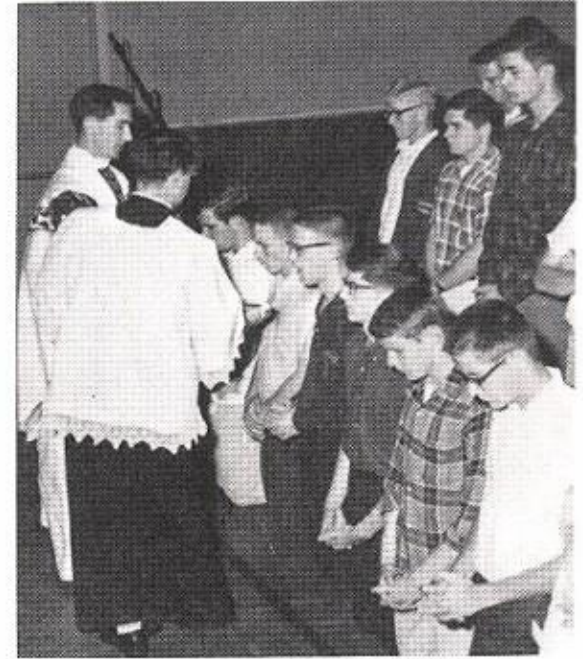

Brother Emeric—Boys' Administrator—arranges extracurricular possibilities with Jeff Herman and Stefan Nyarady.

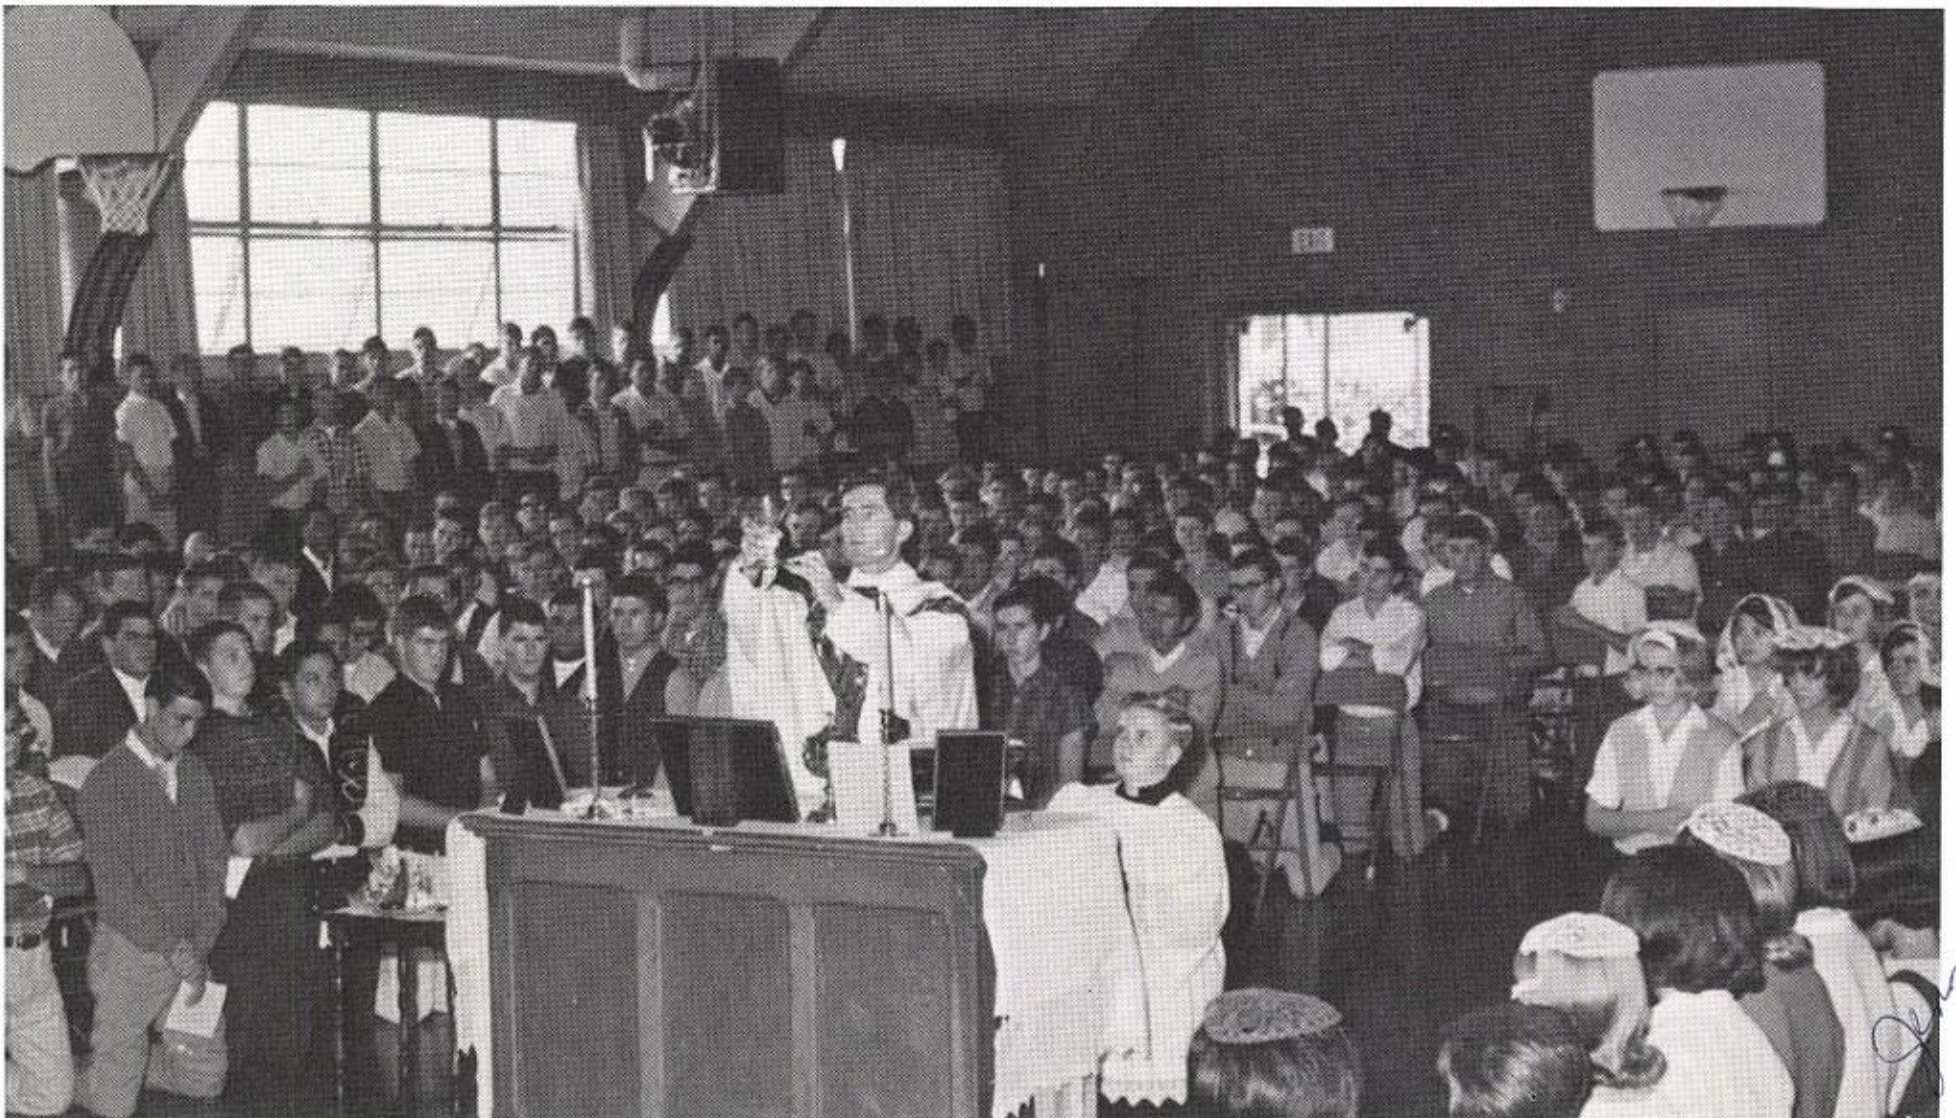

RELIGION is

In Religion I, Sister Marian endeavors to establish an attitude of sharing of our greatest gift—our faith with its participation in the Divine Life.

Students have the opportunity of receiving Holy Communion each day on campus.

The students at Santa Clara High School participate in the Holy Sacrifice of the Mass on each First Friday. Father O'Sullivan officiates with Michael Huff assisting.

our way of life to keep our identity with God alive.

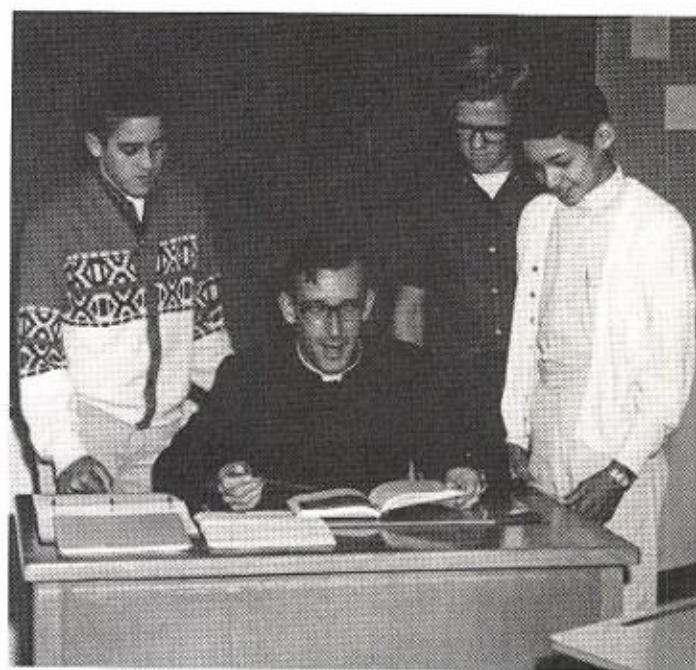

Fr. Sherman assists Fr. O'Sullivan, Head of the Religion Department, in his priestly function on campus.

The world moves forward because of the Christian fellowship of those whose care—under God—transcends language, color, and nationality. As God's people, we see His hand at work in all circumstances; and, as we grow in our knowledge and love of God, we know that He is big enough for all our needs.

Senior boys stand to learn the externals in taking part in the new liturgy.

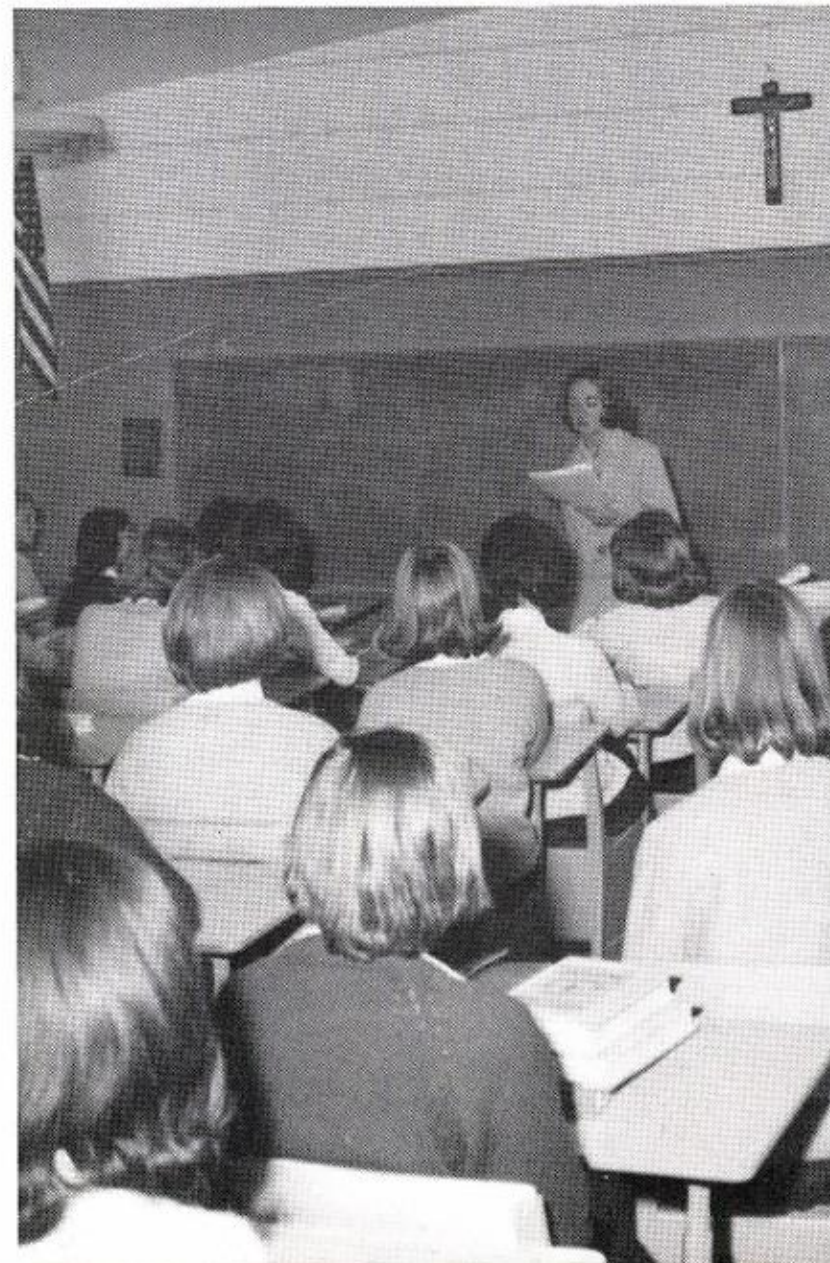

Brother Louis makes practical applications of religious principles as a basis for happier living. Freshman religion students are Samuel Cvijanovich, Frederick Nehl, and Drew Madrigal.

ENGLISH — contributes

(BELOW) Sister Marie Gerard, English Department Head, Sister John Robert, and Mrs. Faye Burkey, Librarian, discuss the expansion of the reading program in the school.

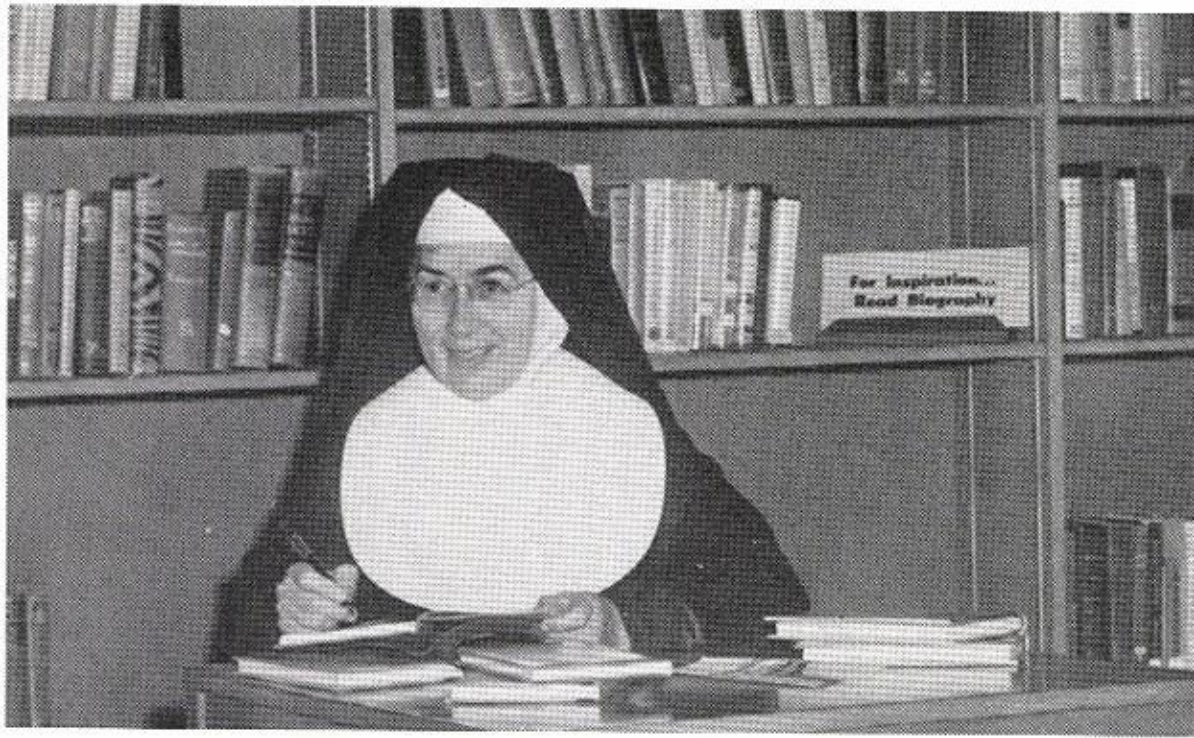

(BELOW) Miss Patricia Mann reads and interprets the classics for freshman girls.

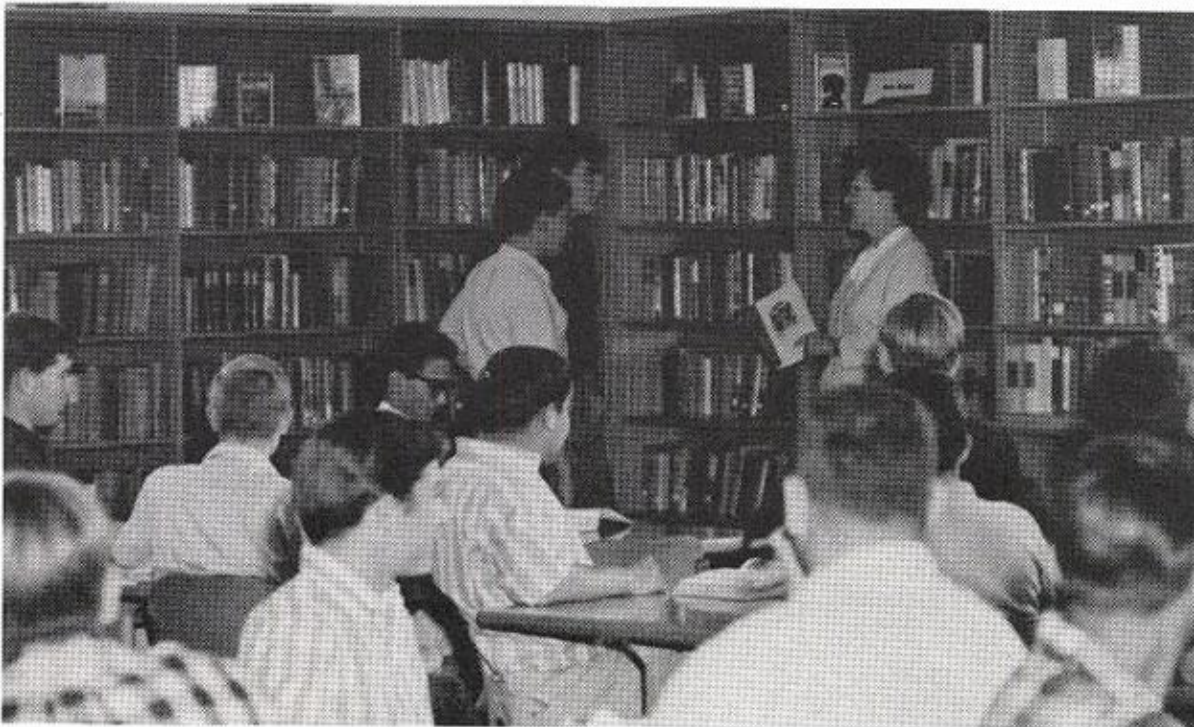

The three witches, Shakespeare's weird sisters and agents of Fate from Macbeth, are portrayed by Patrick Groves, Dixie Stack, and George Howell for the senior class.

evaluation, criticism, and appreciation —
greatly to our "American aristocracy."

Sister Adele Marie autographs her new book for children, *The Magic Wishbone*.

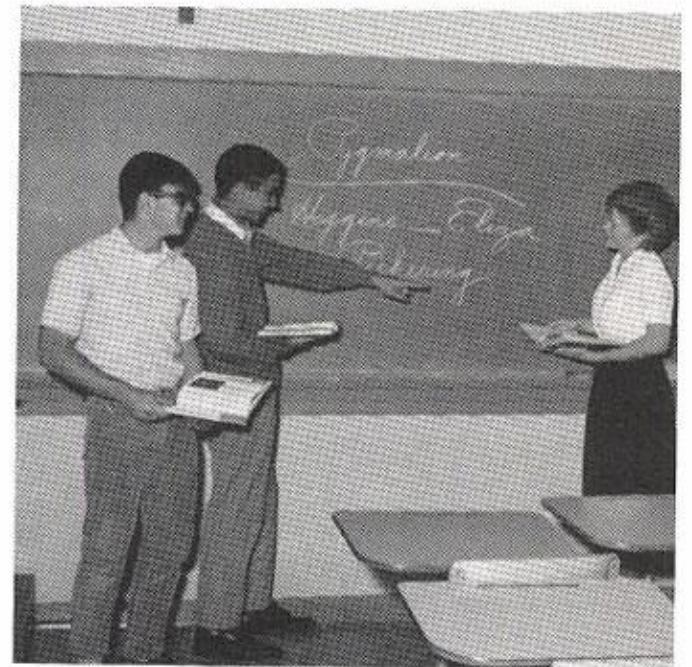

Mrs. Faye Burkey instructs sophomores in efficient use of the library.

"Words are things, and a small drop of ink,
Falling like dew upon a thought, produces
That which makes thousands, perhaps
millions, think."

— Lord Byron

This thought at Santa Clara enhances the
power of reading and writing which con-
tributes to achieving success for those who
live well, laugh often, and love much.

Seniors enjoy Shaw's famed *Pygmalion*. The students
are: John Schmitt, Raymond Boucree, and Sharlene
Robison.

HISTORY is our effort to understand the to it, and thereby, not to have to

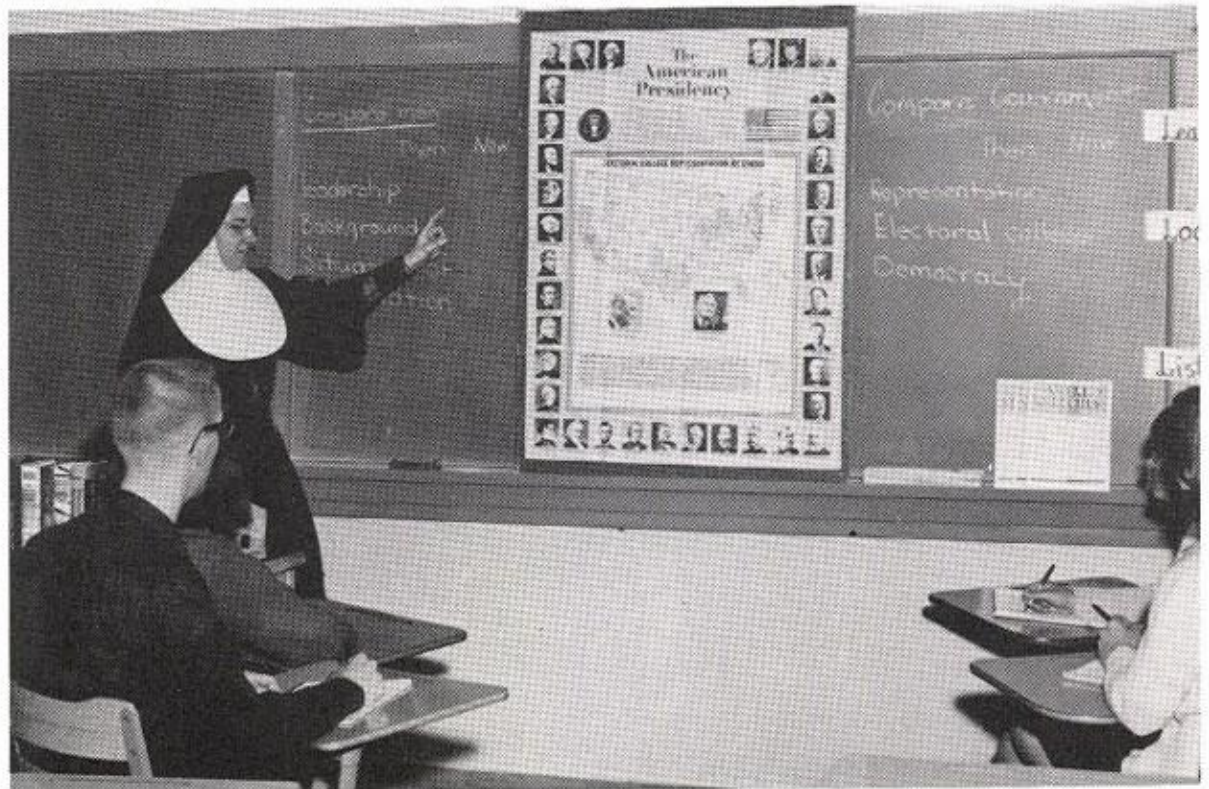

The ancient history class studies Egyptian scrolls. Sister Carmelita examines the art work of the students and evaluates the characteristics that make them authentic in character. Patricia Garcia, Patricia Collier, and Susan Corcoran are fascinated by early writings.

In our pursuit of learning in the field of social studies we form judgements, develop attitudes and make decisions based on the sense of values that have made our ancestors successful. Armed with this kind of understanding we will endeavor to contribute to those achievements that have made America great.

Brother Paul demonstrates the place of history, people, and their lives in relation to the planetary system with James Schindler and Robert Hutton.

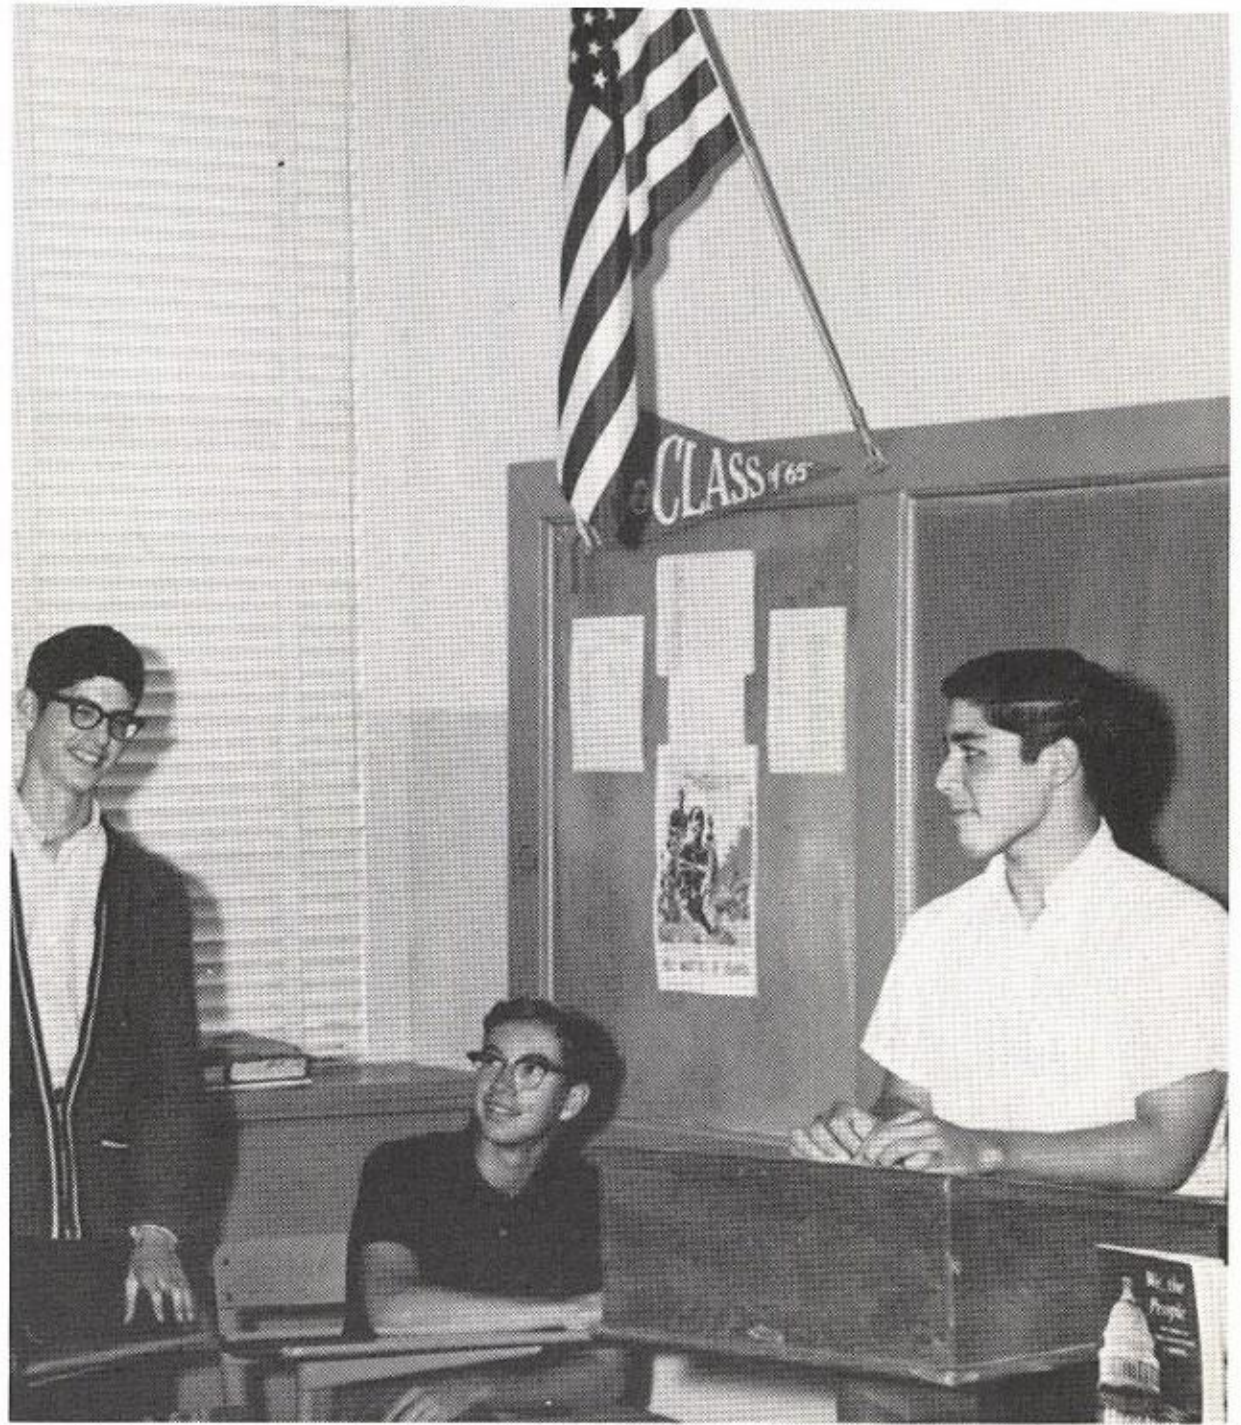

Sister Marilyn Therese points out the contrasts between early American government and our present system to her junior history class.

past, to be faithful fear the future.

James Schettler, Daniel Bishop, and Paul Parong organize a mock constitutional convention in an effort to understand the Nation in an election year.

The seniors review the principles in the working of the stock market. Timothy Henley, George Hansen, and Virginia Hunter study the stock exchange averages with Mr. McCaffrey.

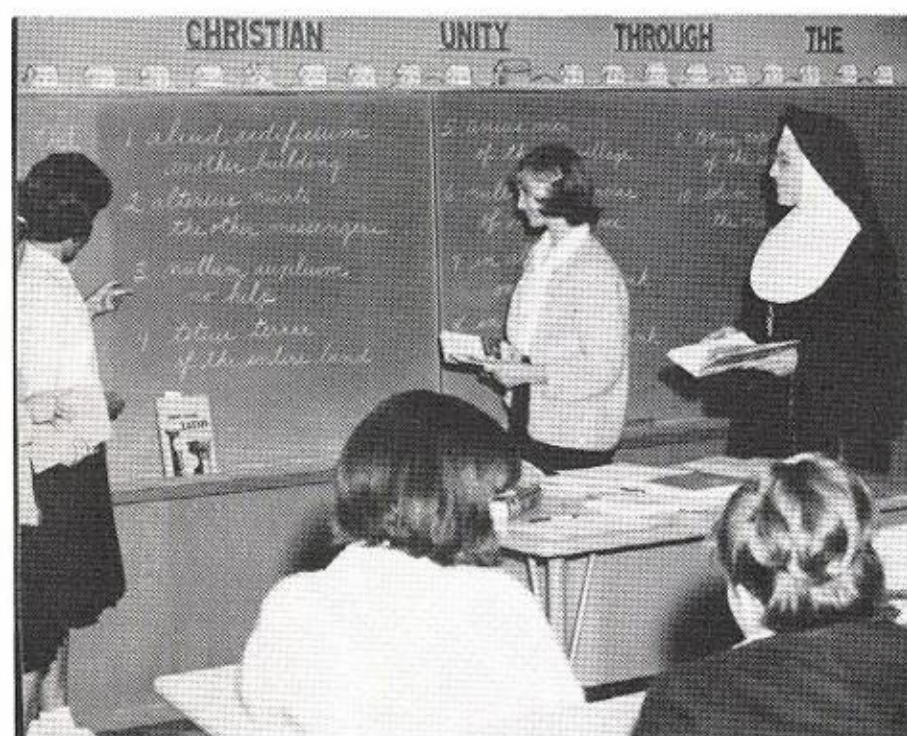

Modern History students study the history and cultures of the peoples of the old world. They are: Guadalupe Puga, Cynthia Arnold and Kathleen Hays.

Current Events are of high interest to American Problems students—Nancy Long, Steve Ulrich, Katherine Lawler, Sandra Pecht, Michael O'Brien, William Maynez. The presiding teacher is Mr. John McCaffrey.

Brother Louis develops French conversation facility. Students, Mary Scott and Robert Herman, relax in the fun of speaking, hearing, and understanding a foreign language.

Latin is the foundation for many languages and a bulwark of many cultures. Janet Turk and Kerry Gaitan illustrate their findings for Sister Marian.

Gaiety is one of the characteristics of people of Latin culture. The pinata and the guitar add to the glee. Spanish II students and their teacher are: Luis Vicuna, Christine Soto, Diane Case, Sister Adele Marie, and Michael Muro.

LANGUAGE is the art and national life is

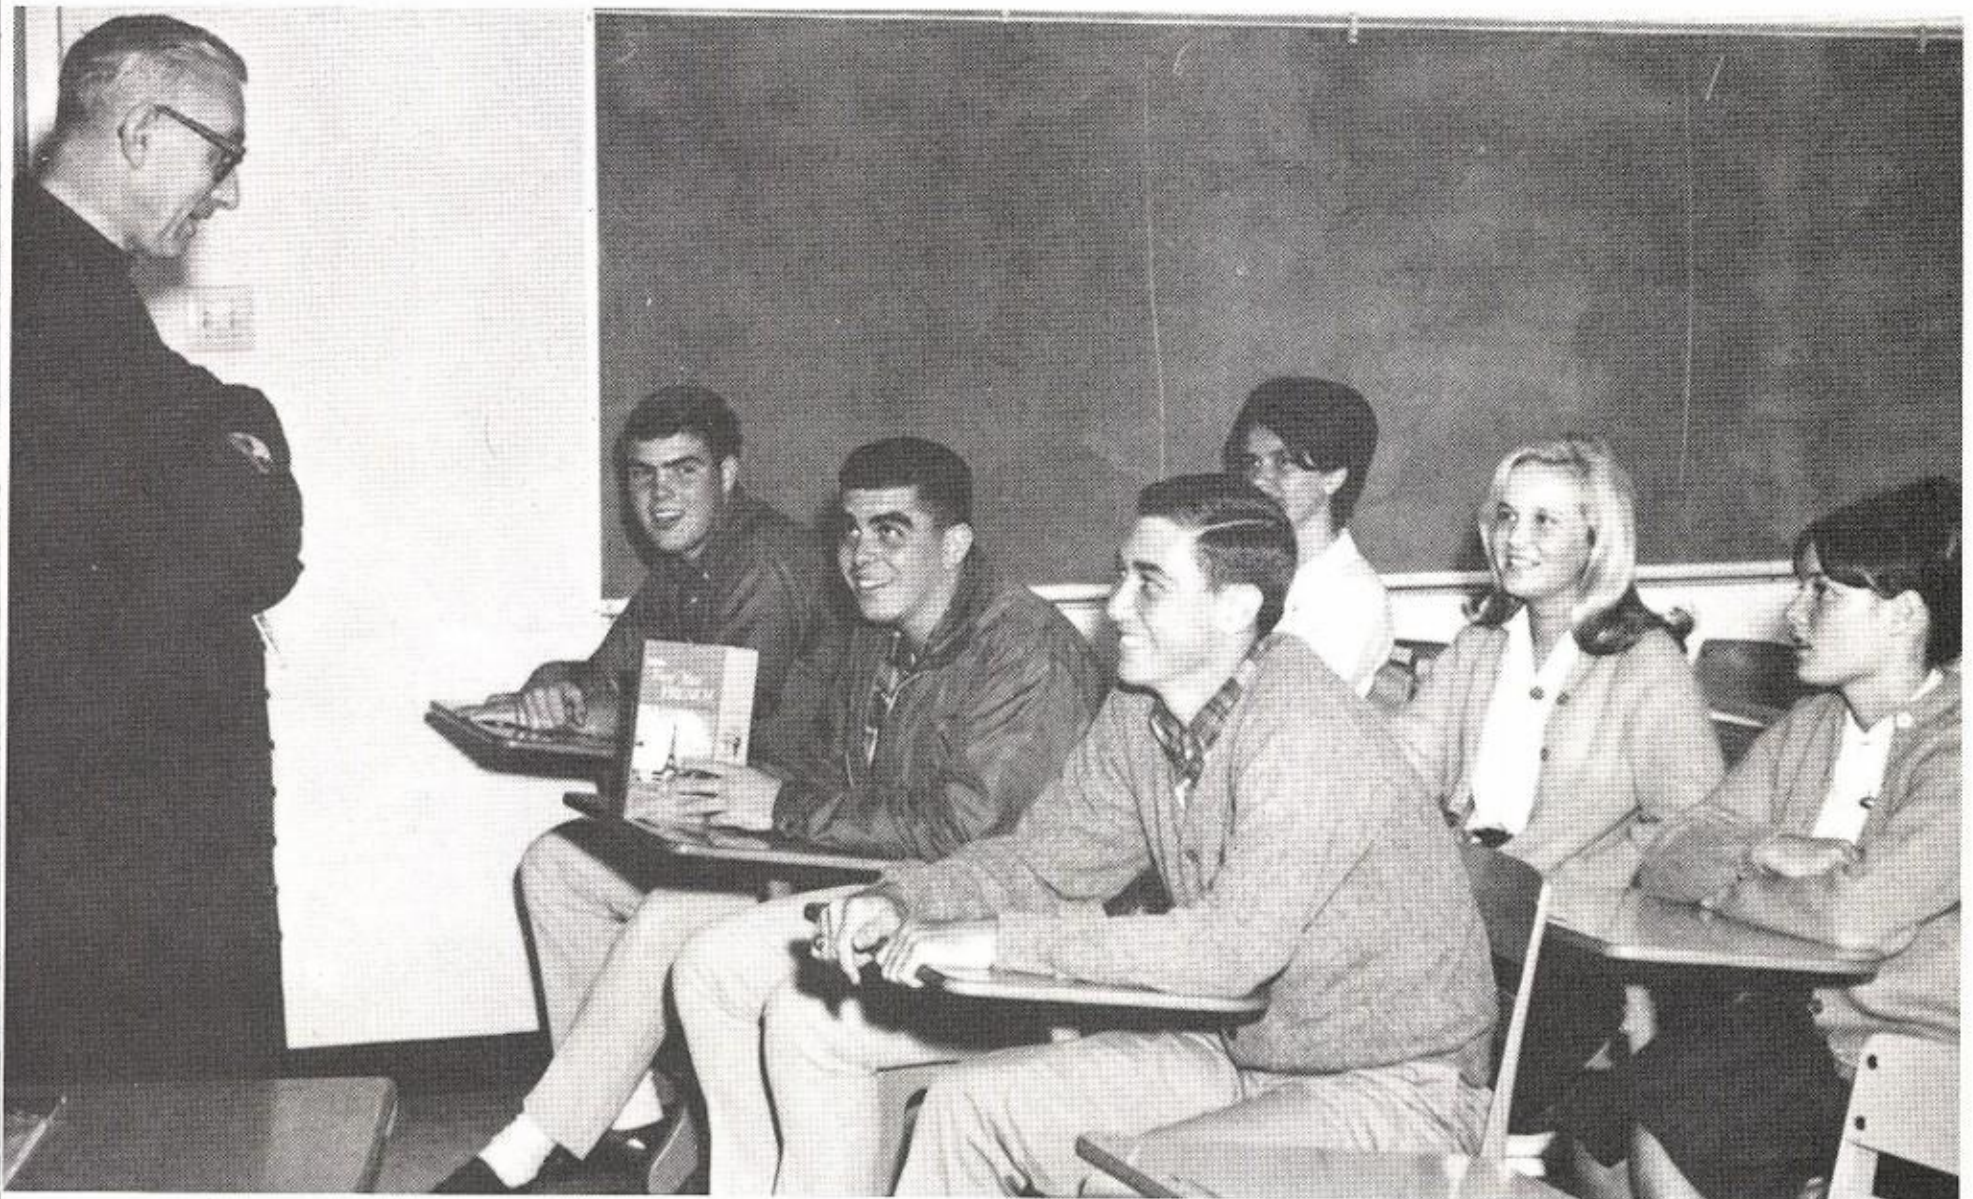

Mr. Varela develops understanding of the culture of the peoples of Spain and Mexico through the study of the Spanish language. Richard Maulhardt is one of the Spanish students.

through which personal life is regulated
ordered; and then, there is peace

in the world.

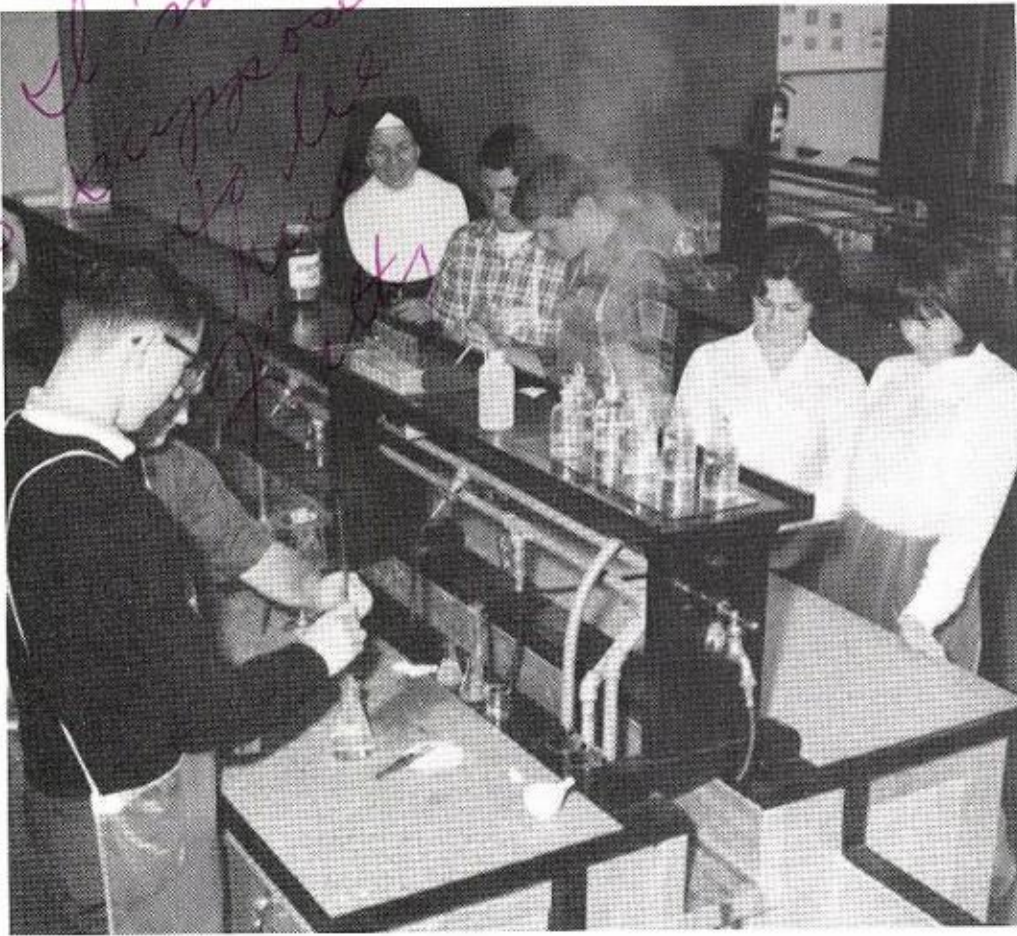

Spanish II students are amazed at the work that can be done with puppets. Nancy Braden, Elizabeth Wehagen, and Richard Perez try their luck at the strings with Sister Adele Marie.

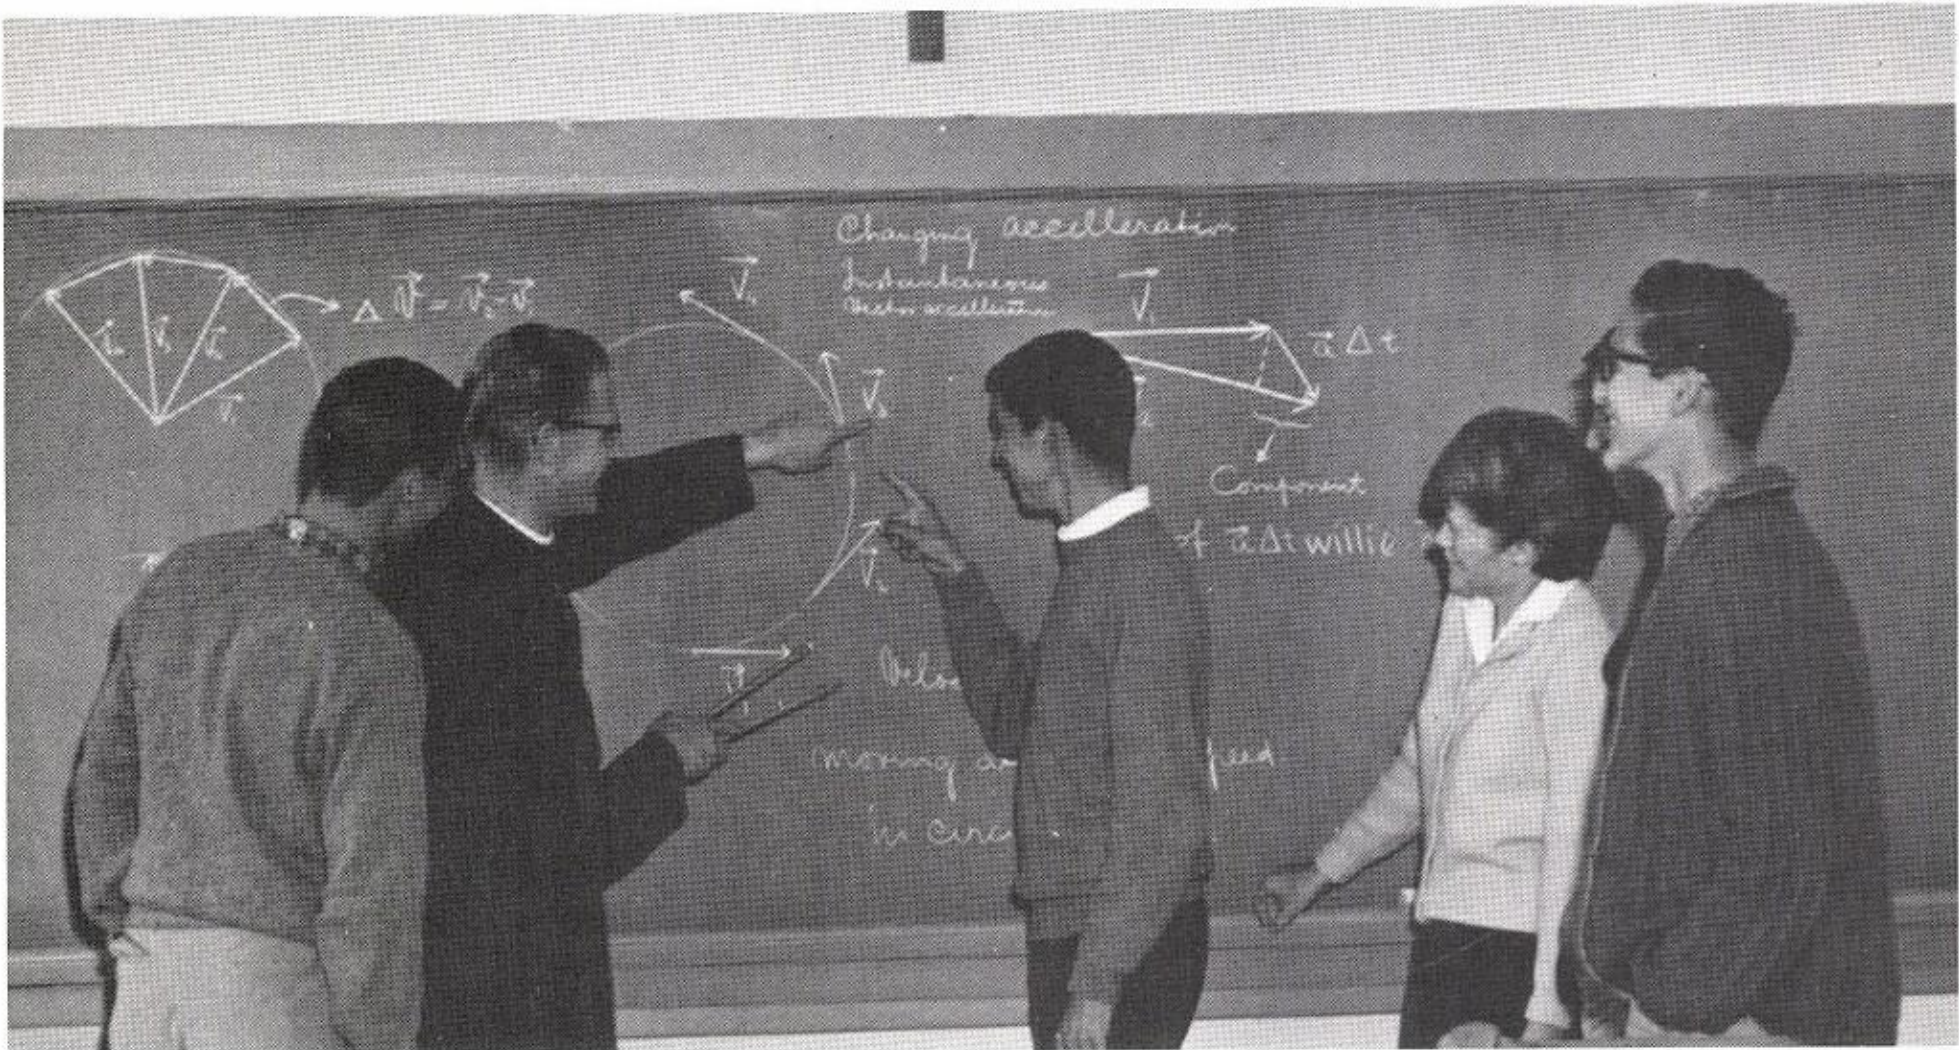

Santa Clara students think that it is great to be enrolled in French II. Brother Paul converses with Timothy Hermesen, Patrick Barrett, Raymond Boucree; (ROW TWO) Marianne Miller, Clara Malinits, and Lindy Miller.

MATHEMATICS and those unselfish

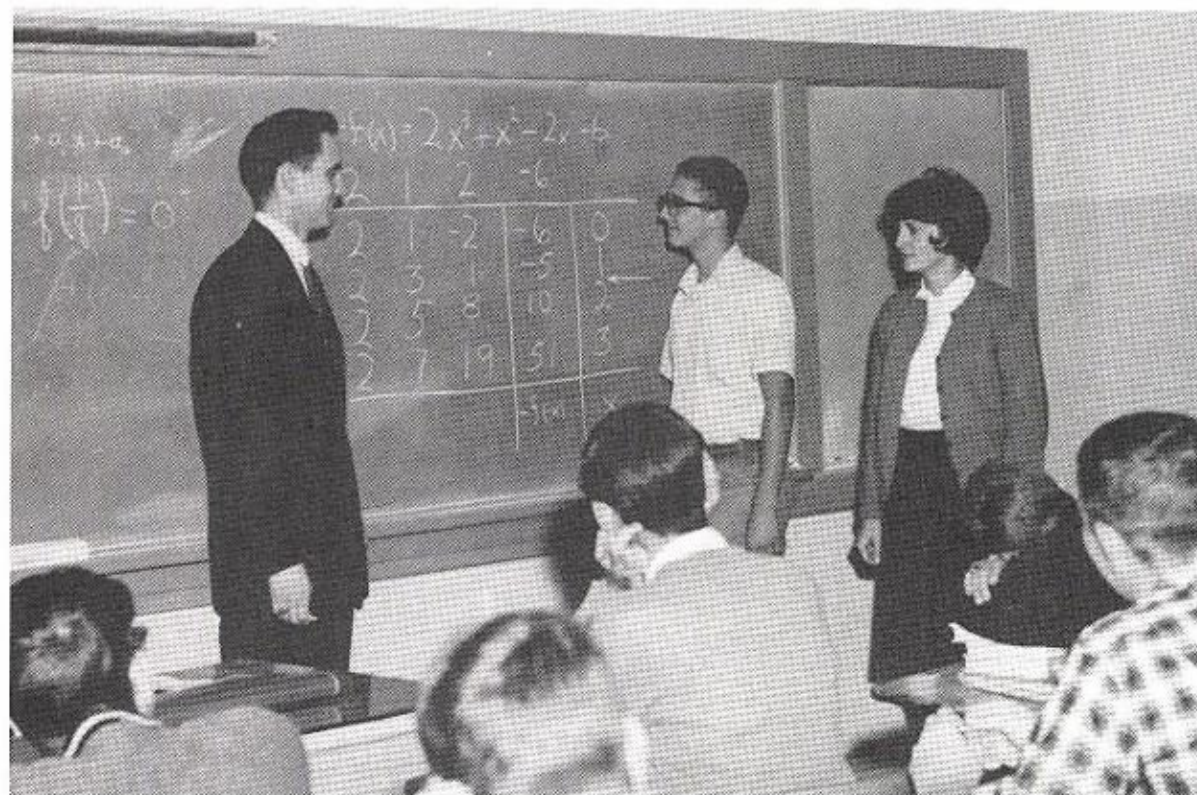

Intent on their observations of endothermic and exothermic reactions are Kathleen Holloway, Paul Elliott, John Tomko, Sister Charles Leonard, Richard Kingsland, Bruce Stewart, Teresa Ward, and Mary Joy Stewart.

Katherine Friedrich, under the supervision of Sister Rose Louise, observes the position of the heart in the human body.

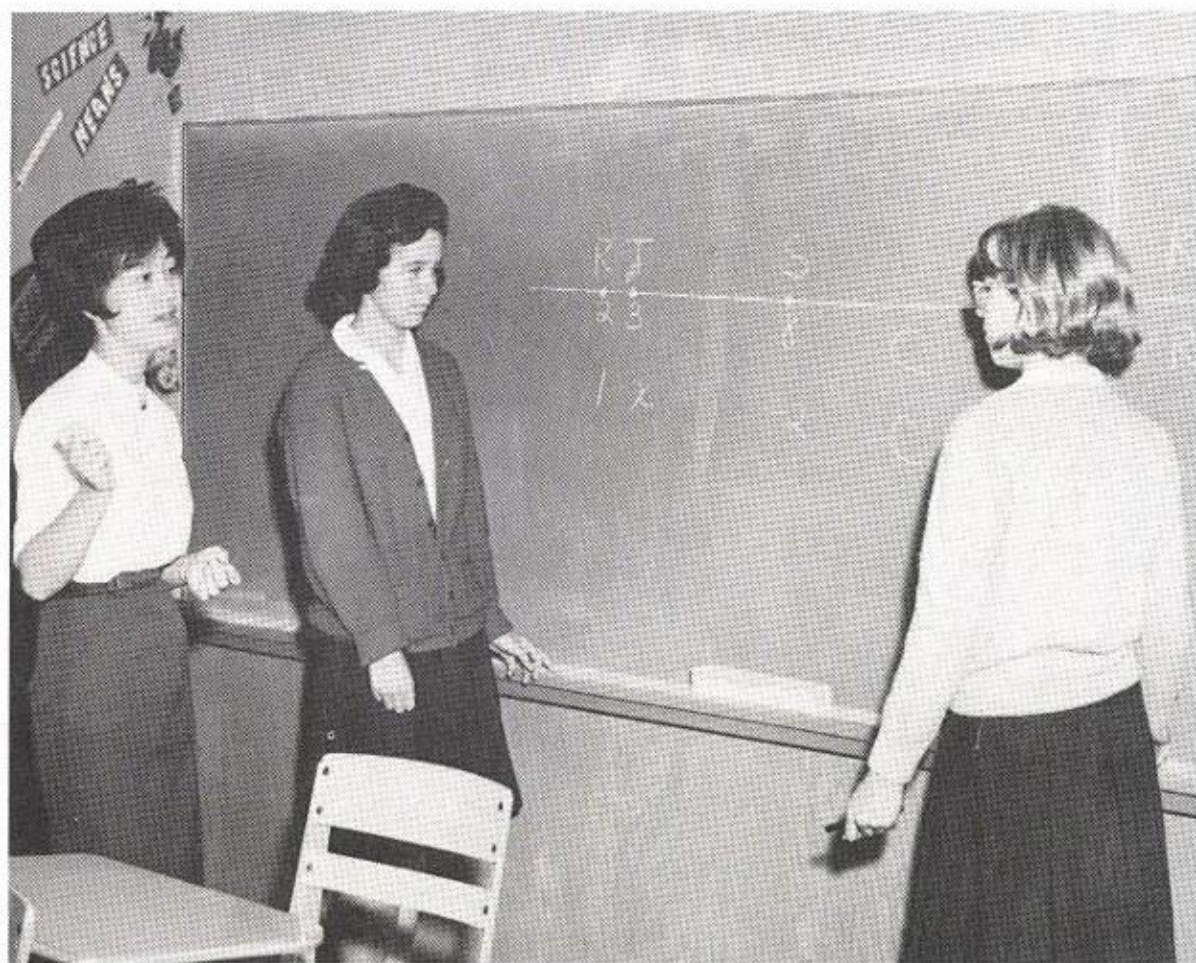

Raymond Boucree, Brother Emeric, William Maynez, Sharlene Robison, and Michael Lastrico study the vector theory of physics.

SCIENCE provide a path for prodigies of courage.

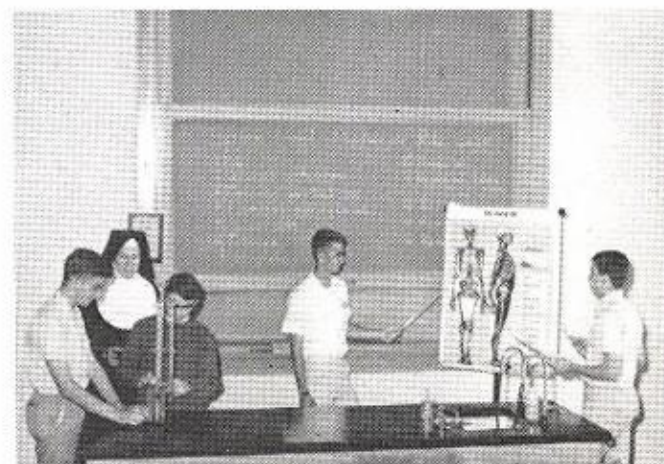

First semester seniors study elementary functions. Mr. John Burdullis demonstrates synthetic division for Dennis Sullivan and Elaine Camuti.

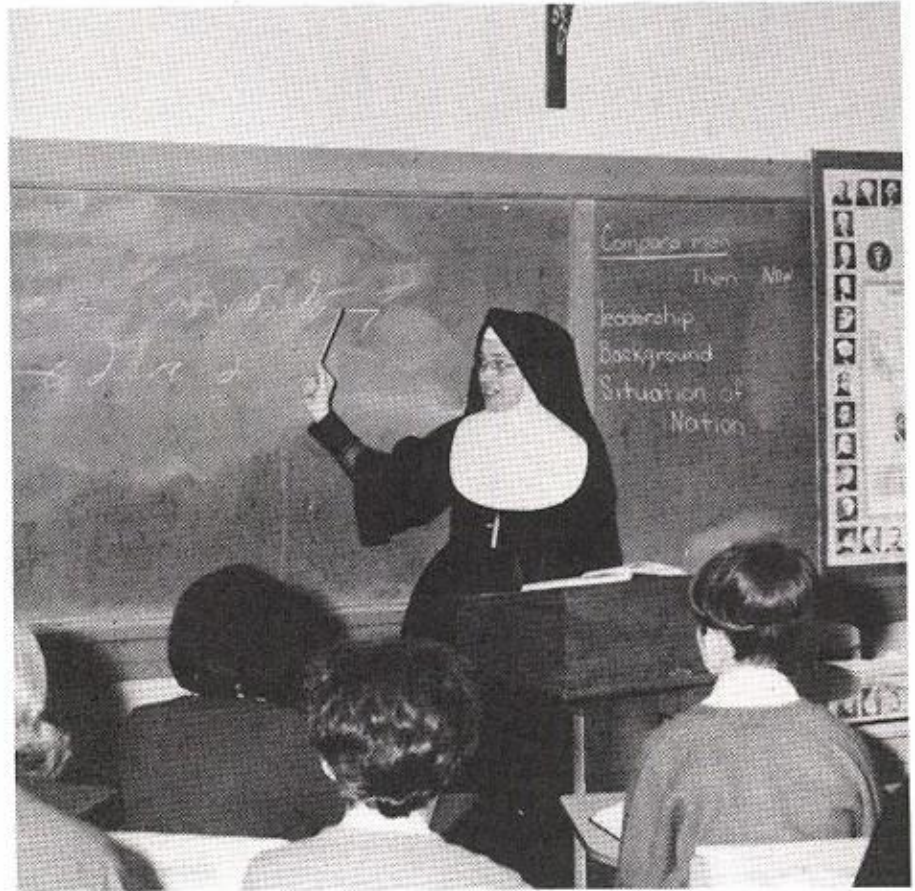

Miss Stella Djao makes mathematics meaningful through a demonstration of the use of the number line for sophomores—Sandra Davis and Susan Clark.

Mathematics is a tool for the development of a disciplined mind for all of the students of Santa Clara High. For those who pursue advanced study it, also, serves as a crutch in the field of science. The biological and physical sciences offer creative and productive fields of endeavor. Here, the door to well-ordered research is opened and light of vision shines on those who work in an unbroken line of effort, skill, and interest.

General science students become aware of the life and elements around them. Sister Charles Leonard makes property applications of these for Stefan Nyarady, Richard Lang, August Reif, and John Truxler.

PRACTICAL ARTS are a collaboration with God to cultivate His goods and make them proper.

Sister St. Bernard drills first year shorthand students in "brief forms."

Rosemary Jimenez tries her luck at the sewing machine.

Seniors relax after setting a decorative table. Sister Mariana approves of the accomplishment of Sharyn Farrell, Casey Hill, Dixie Stack, and Mary Cline.

Practical Arts are offered in the fields of business and homemaking. With the goods of the earth, which we have received from our Creator, industry and frugality are developed and we look to God for a blessing on our honest endeavors.

Seniors are thrilled with the success shown by grades on their bookkeeping projects. The instructor is Mr. J. Robinson.

Virginia Nunez and Avelina Hernandez learn the principles of nutrition in homemaking.

Mr. J. Robinson, Commercial Instructor, observes typing techniques of Lawrence Trinkle, Michael P. Kennedy, and Mary Ann Kehoe.

Sister Joanna points out the quality of textures to Kimberlan Cormany.

Linda Simmons, Susan Trinkle, and Yolanda Verrett study music appreciation as one of their electives.

Choric speech is a part of the elementary speech program offered at Santa Clara High School. Sister Mariana records and directs the reading by Maureen Fitzgerald, Kristine Jordan, Mary Diener, and Marilyn Reno.

FINE ARTS try to lift others to the level of living of those around them, and the world moves forward

because of them.

The language of music and art sounds the depths where all other communication fails. Through this kind of education temperaments are refined, understandings developed, and cultures unfolded.

Mr. Varela moderates debate in boys' speech class.

The masterpieces of the Renaissance is part of the study of elementary art appreciation at Santa Clara. Marcia Oney, Pauline Morales, Barbara Millage, and Mary Sanchez study the pictures in the light of line and color.

Sister Joanna interprets textures in line and color for art students. The students are: Sharyn Lawrence, Julie McGarry, Lindy Miller, Christiana Querciagrossa, Kimberlan Cormany, Ralph Macias, Donald Monahan; (STANDING) Patrick Wallen, Richard Mesa, Michael P. Kennedy, and Samuel Nelson.

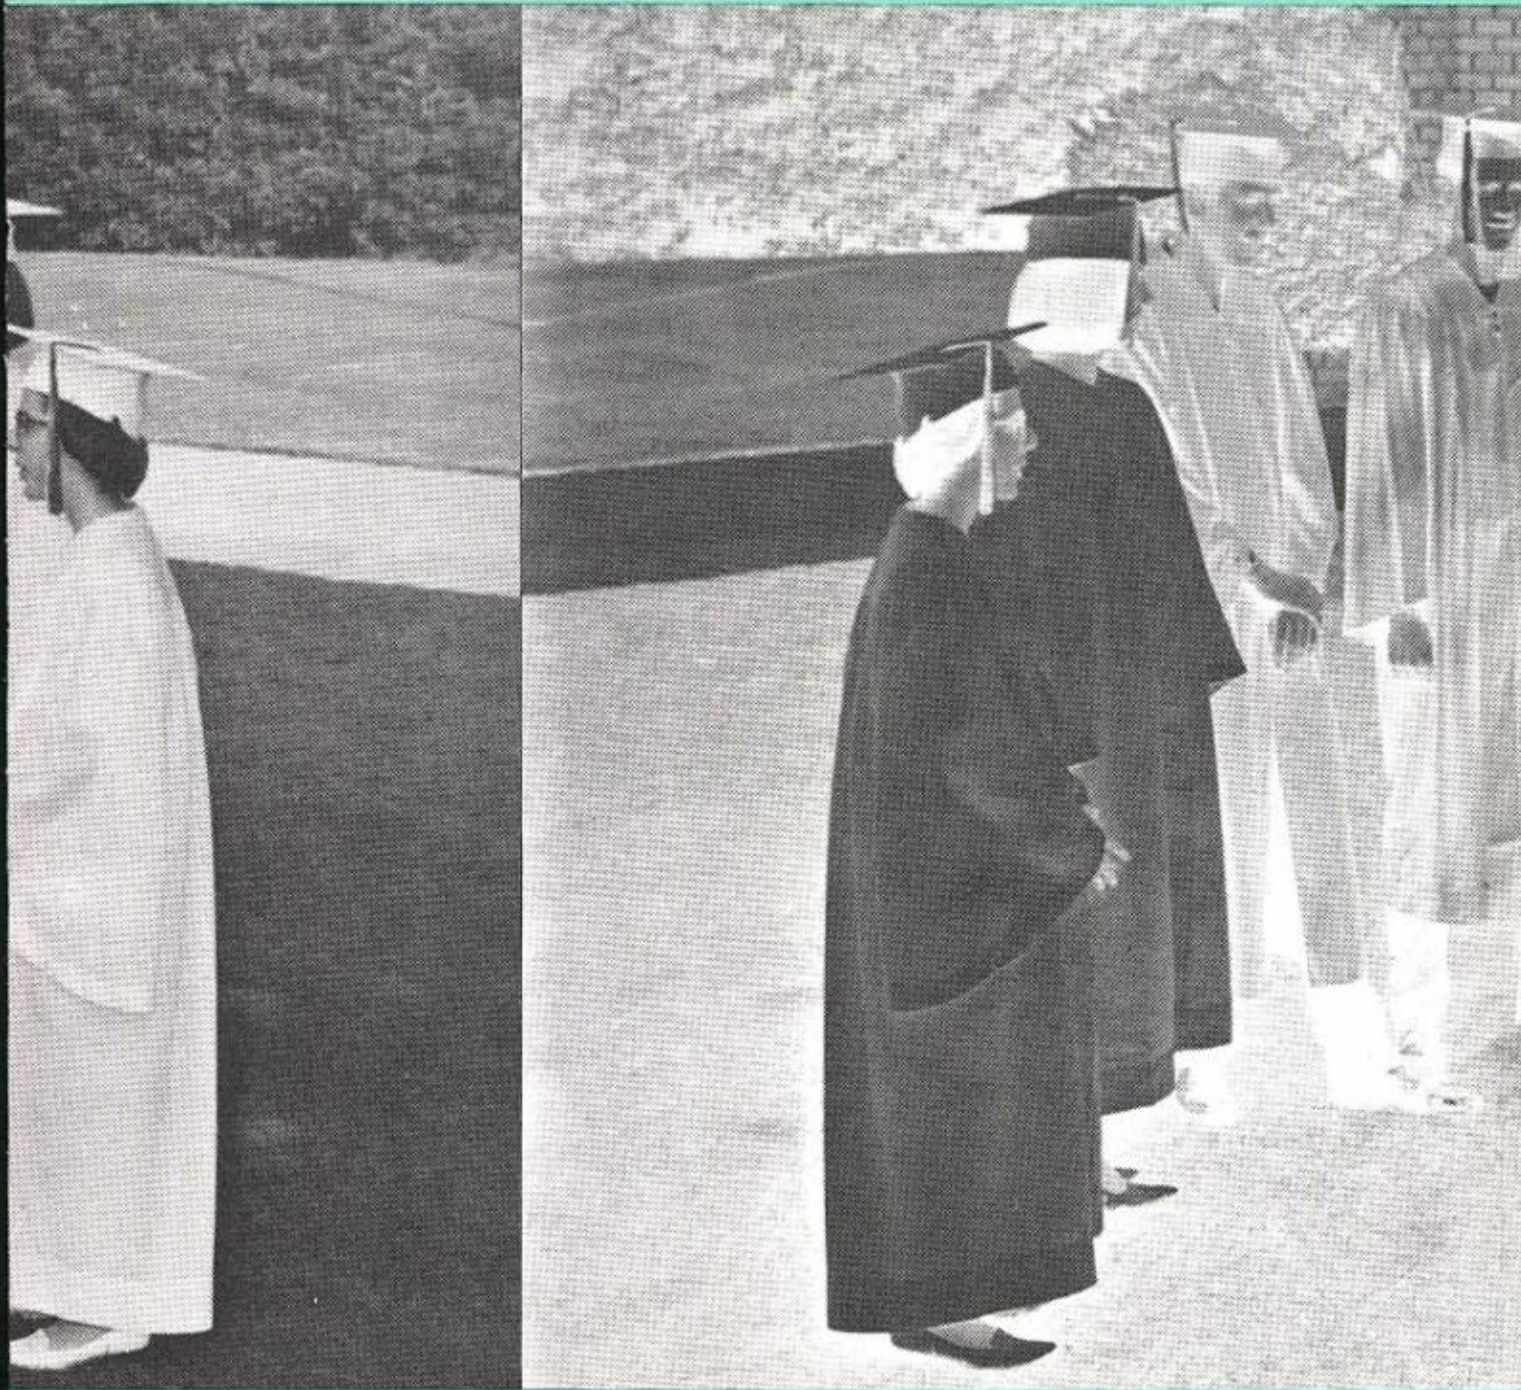

Sister Mariana points out the beauties of early Christian art to Providence Lucido.

STUDENT LIFE

Joseph Truxler, Treasurer, makes another financial success of a Student Body project, the Christmas Ball.

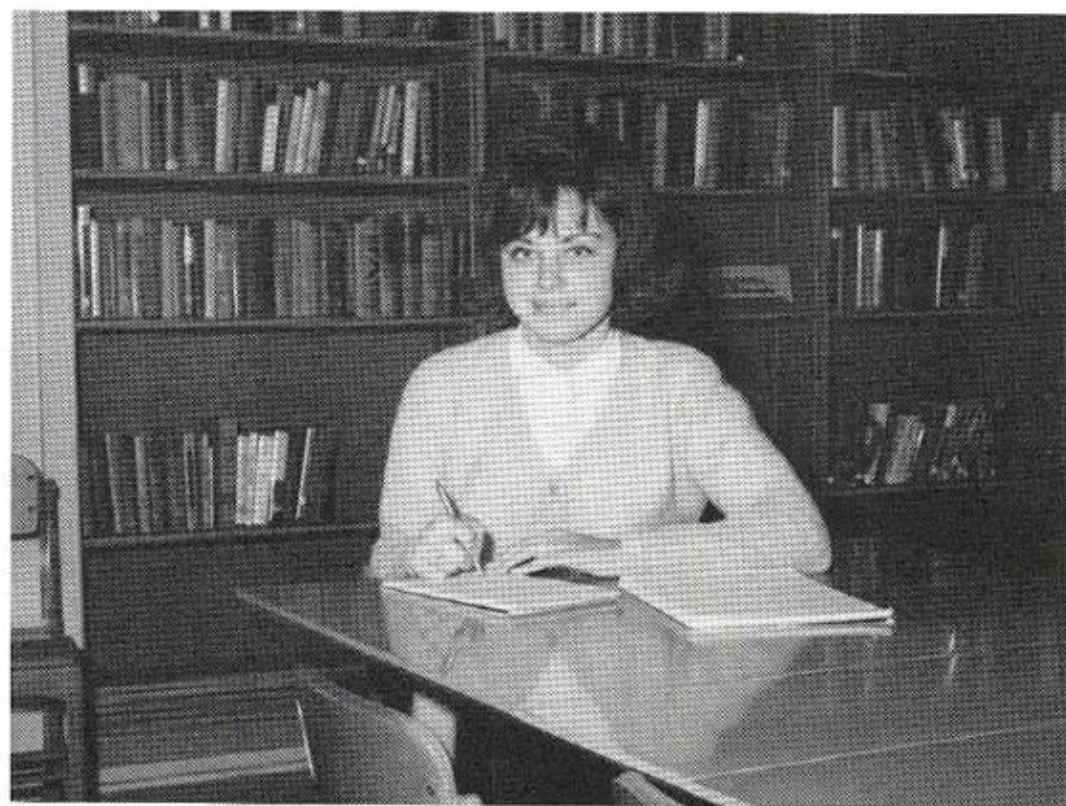

At Santa Clara we have two kinds of assemblies—chair assemblies and bleacher assemblies. Pictured are the freshmen and juniors at an assembly honoring some of the school athletes.

Thomas Westervelt, President, and Nancy Braden, Vice-President, are conscious that the real leader will seek to understand the views of the many. They have a suggestion box to help them in this facet of leadership.

The officers of the Associated Student Body govern this organization through a Student Council composed of class, section, and other campus-organization officers. The Student Council meets once each week and the decisions of Council are presented to the members of the Student Body through class meetings, section period, and student body meetings. Its greatest educative value is to prepare the members to fulfill their unique destinies in our larger American society.

Sandra Hildenbrand, Secretary, prepares her notes for the next Student Body Meeting. "Respectfully submitted . . ."

Membership in
the ASSOCIATED
STUDENT BODY at Santa Clara prepares
us for world-wide leadership and
fellowship with a common concern
for others.

U.S. Representative Teague, State Senator Lagomarsino, and Ventura County Supervisor Laubacher answer political and social queries of students.

Father O'Sullivan and Mr. P. J. Mohorko of St. Mary's College discuss the adjustment of the college freshman.

The Representative of the University of San Francisco, Mr. Robert A. Braghetta, speaks to the seniors on college life and study.

Civic leaders leave Santa Clara after a very interesting and informative program. They are U. S. Representative Teague, State Senator Lagomarsino, and Ventura County Supervisor Laubacher.

We always have time to learn and to welcome those persons who will help us to form ideals and goals—colleges, vocations, and other programs for our advancement. We are fortunate in this stable community to have qualified adults to assist us in our growth. It is to them that we look for dignified leadership as we take our places in the civic life in this community.

Sister Mary Robert shows visitors Santa Clara campus. Pictured are: Sister Mary Robert, Rev. Mother Eucharista, Superior General of the Sisters of St. Joseph of Carondelet, and Sister Helen Clarisse, General Councilor of the Order.

The time we take to listen
to others now pays rich
dividends in developing
worthy evaluations later.

We pay tribute to dedicated personnel.

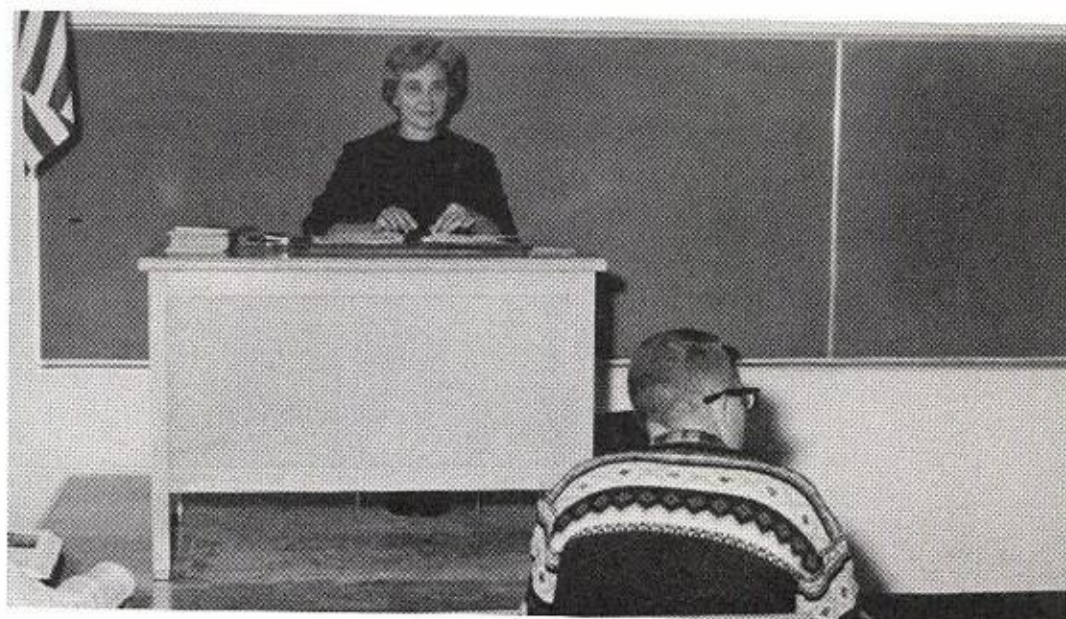

Students find real friend in the school Secretary, Miss Lorraine Hall.

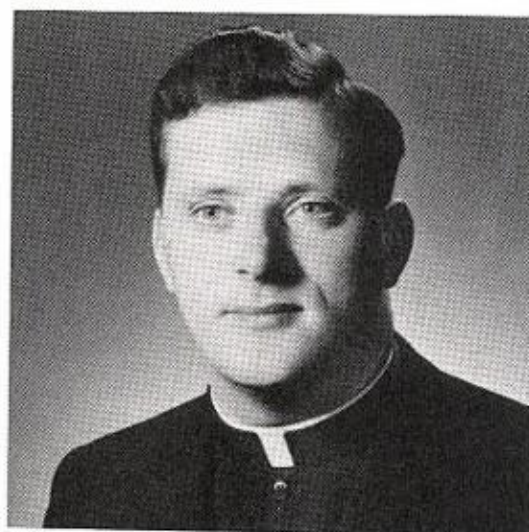

Mrs. Corrine Westervelt counsels seniors on laudable, prospective college choices.

Mrs. Lilian Paquette supervises the Study Hall and offers assistance to needy students.

Mrs. Lilian is the competent supervisor of Santa Clara's Study Hall.

Fr. Thomas Meskill is the second semester teacher of Religion and Latin III-IV.

There are many persons who unobtrusively facilitate the process of our growth. With gratitude we look upon their contributions and helps. They inform, organize, and advise students in many ways. They do the many things that make the school year schedule a smooth and pleasant one.

Library aides acquaint themselves with available material. They are Elizabeth Diener, Catherine Mahler, Dixie Stack, Ann Laubacher, Kathleen Gill, Mildred White, and Louise Kordick.

Melody Branstrom, Mary Cavanaugh, and Mary Guiremand await their turns in the checking line. Accession assistants are Louise Zitnik, Virginia Hunter, Jessie Muro, Avelina Hernandez, and Dixie Stack.

William Diener, Mark Dyar, Patrick Murphy, and Patrick Siddens are a tremendous help in shelving and moving books.

Peggy Hoty, Mary Espinoza, and Natalie Malbon assist Sister Mary Robert.

The office and the library are kinds of centers of the activity of school intelligence. From interested, helpful, and informed assistants, students get accurate answers and information. With this aid students are able more easily to matriculate with order and dispatch.

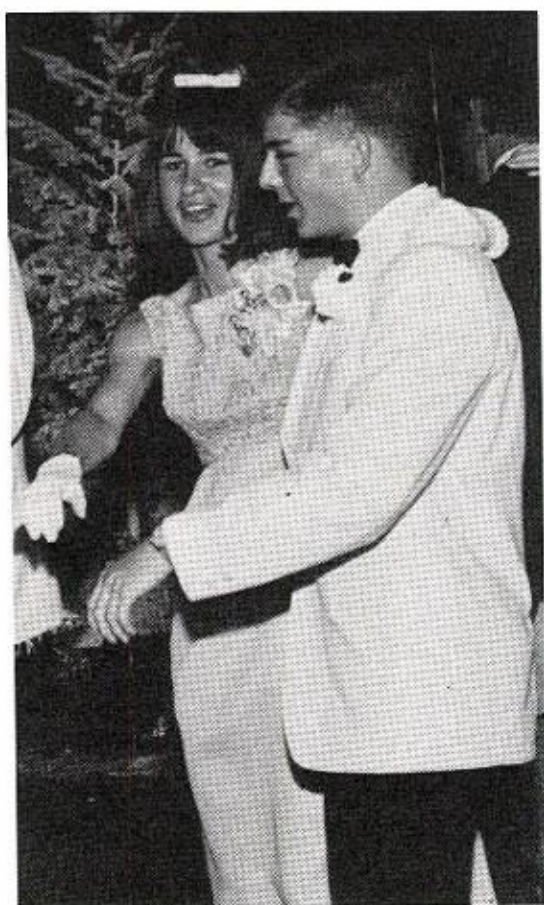

With the growth of Santa Clara and the use of the new building students are indispensable in communications. The Annex staff includes, ROW ONE: Cathleen Higgins, Jessie Muro, Katherine Hill, Susan Cresto, Tina Carrier, Alicia Gutierrez. ROW TWO: Avelina Hernandez, Sarah Nash, Lindy Miller, Dixie Stack, and Harry Schumacher.

Marianne Miller, Louise Kordick, Jean Edwards, Mary Louise Watkins, Sandra Jackett, and Kathleen Murphy wait to take special messages to sections.

Students enjoy proms, balls, "Sleighbell Serenade"

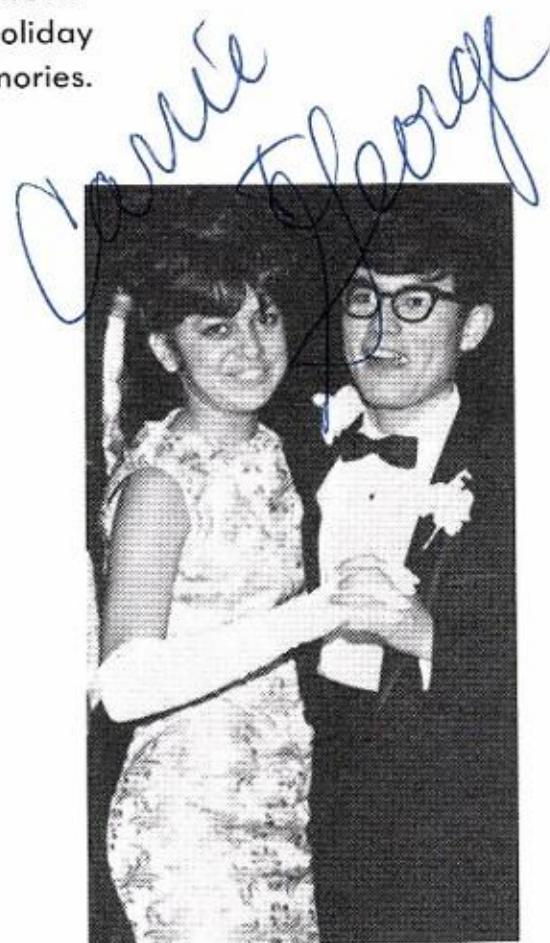

Nancy Braden and Thomas Westervelt enjoyed their evening at the Christmas Ball.

Class and spirit mark the dances at Santa Clara High School. With great ingenuity the students transformed the gym into the calm of the blue moon, the gaiety of sleigh bells, and the hilarity of the "pow wow." Each mood recalled a special holiday happiness and wonderful memories.

Alexis Zuber, James Brick, Philip Kincaid and his date, dance around the Christmas tree.

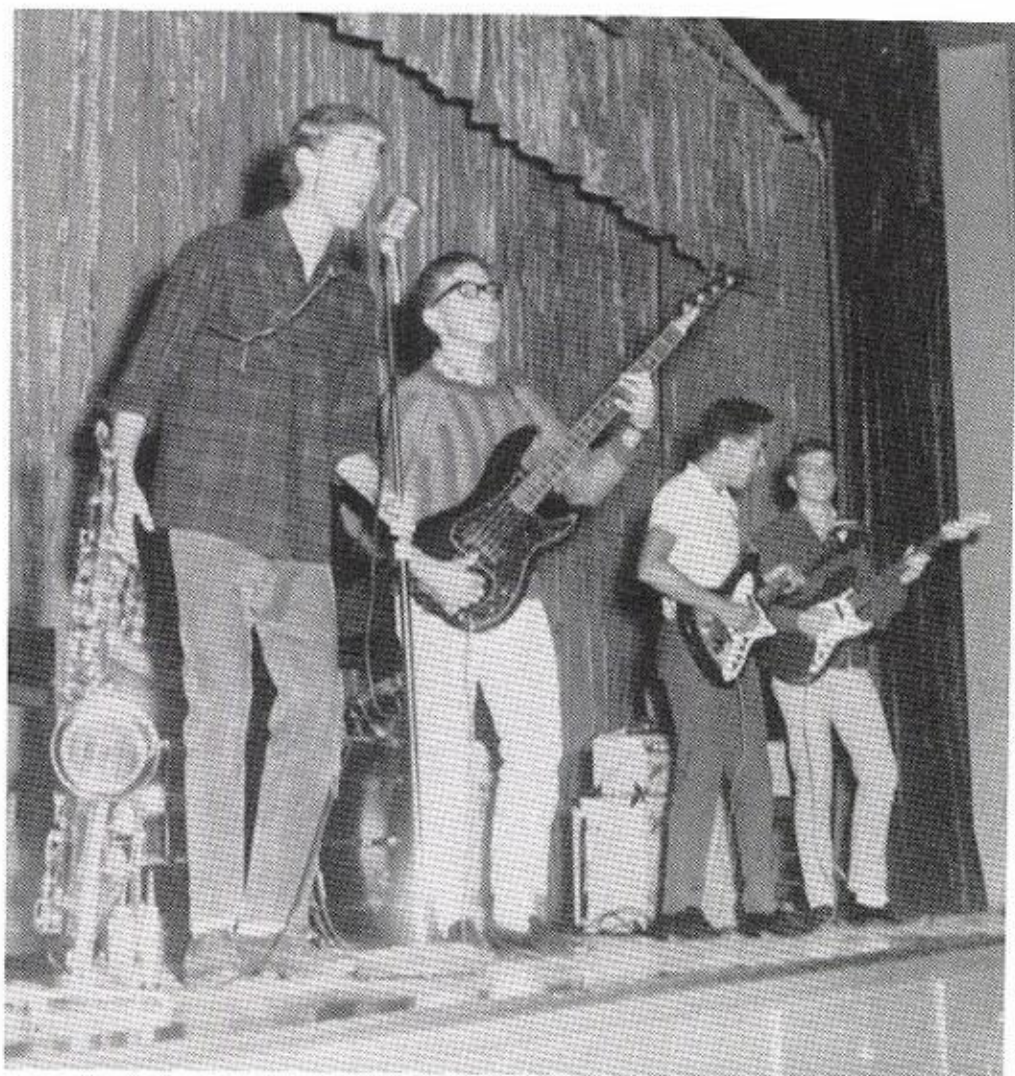

Caroline Navarro and George Sandoval dance to the music of Tommy Dugan.

Some couples dance while others prefer to listen to the Thousand Oaks band.

and mixers;
crowns holiday happiness.

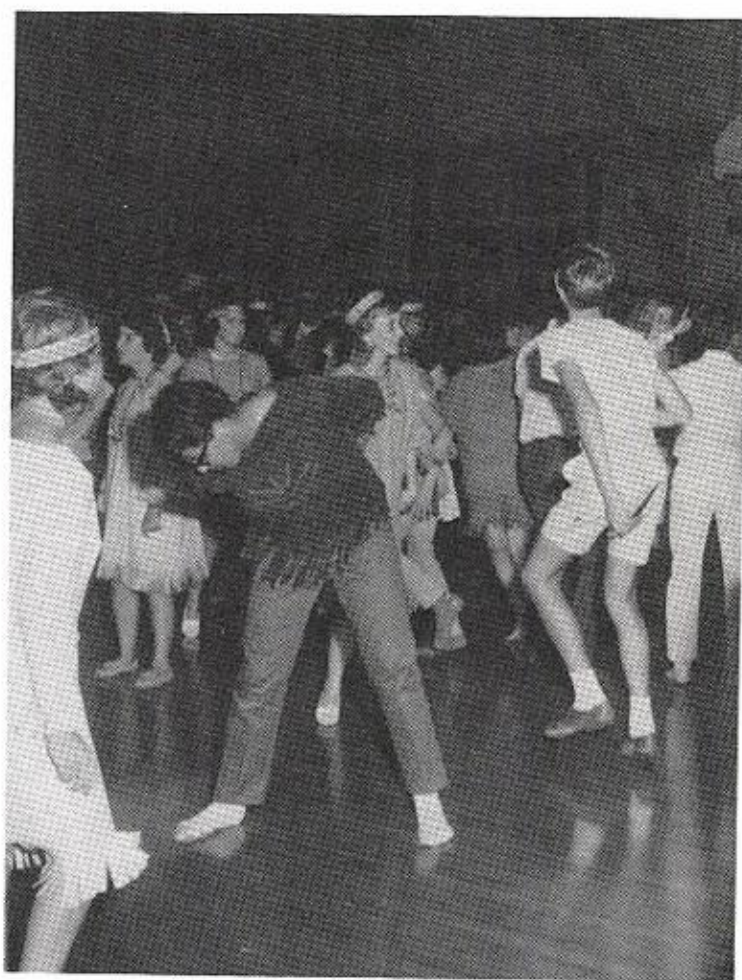

Santa Clara's "Deacons" provide music for many noontime mixers.

Seniors wait for the initiation rites to begin.

Seniors enjoy the casualness of the "Pow Wow."

Saint's Frosh dance off the trials of Initiation Week.

"Olé!" shout the caballeros, watching the lively Spanish dancers performing for the benefit of the poor of Peru.

El Matador, Timothy Hender-shot, with his toreros follows the bull (and his lady love) to the bull ring for the grand finale—a hilarious bullfight.

Precision dancers, instrumentalists, vocal groups, and Spanish dancers united to make the talent show a great success. Our own "Deacons," generously donating their time, played during intermissions.

Talent show provides "Pesos for Peru."

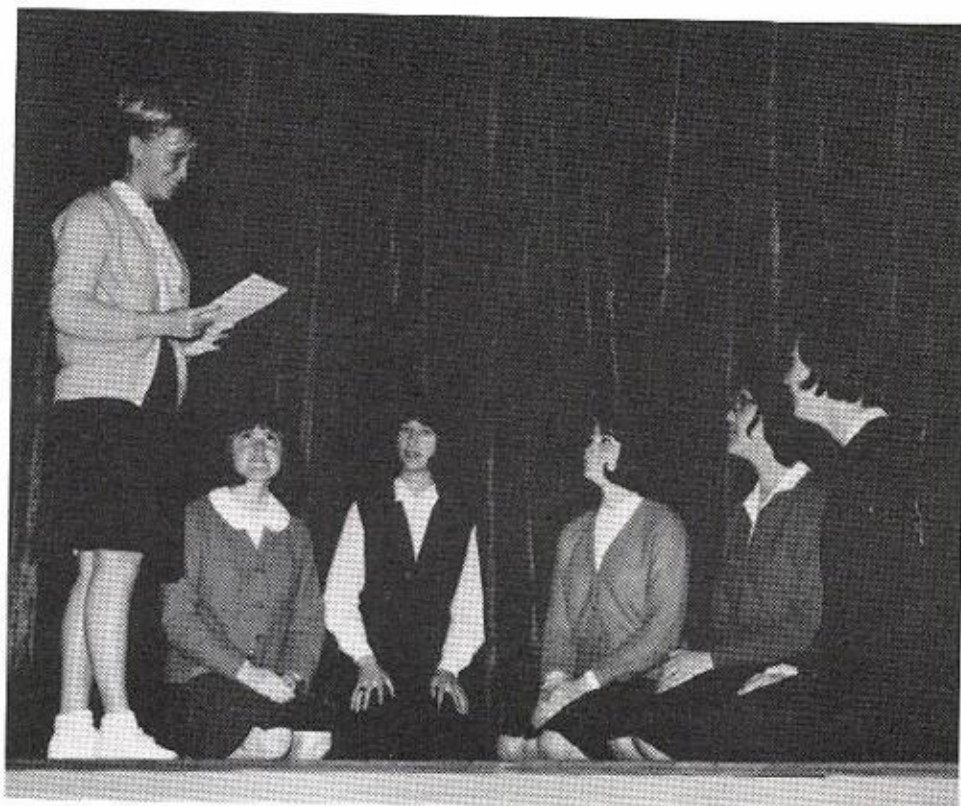

Drama takes form at Santa Clara.

The fledgling Drama Club begins shaping the talents of the dramatic-minded students by forensic league meetings, lectures, workshops with other clubs, and school plays.

Drama Club President, William Maynez, discusses with Secretary, Susan Matsumoto, methods demonstrated at a recent drama workshop. Robyn Adamina and Susan Sueyres, Drama Club Members, go over acting techniques for their recently-chosen play with Treasurer, Raymond Boucree.

Clara Malinits (standing) goes over plans for the coming play with Sharyn Farrell, Nancy Long, Lorraine Croker, Carol Romero, and Katherine Hill.

Ricardo "Uncle Pio" Perez stands amid the setting of the play, "Uncle Pio's Wallet," with his sister, Virginia Nuñez. Surrounding them are Uncle Pio's nieces with their boy friends. Largely, through the efforts of Sister Adele Marie and her Spanish classes, the program netted \$140 for the Peruvian Missions.

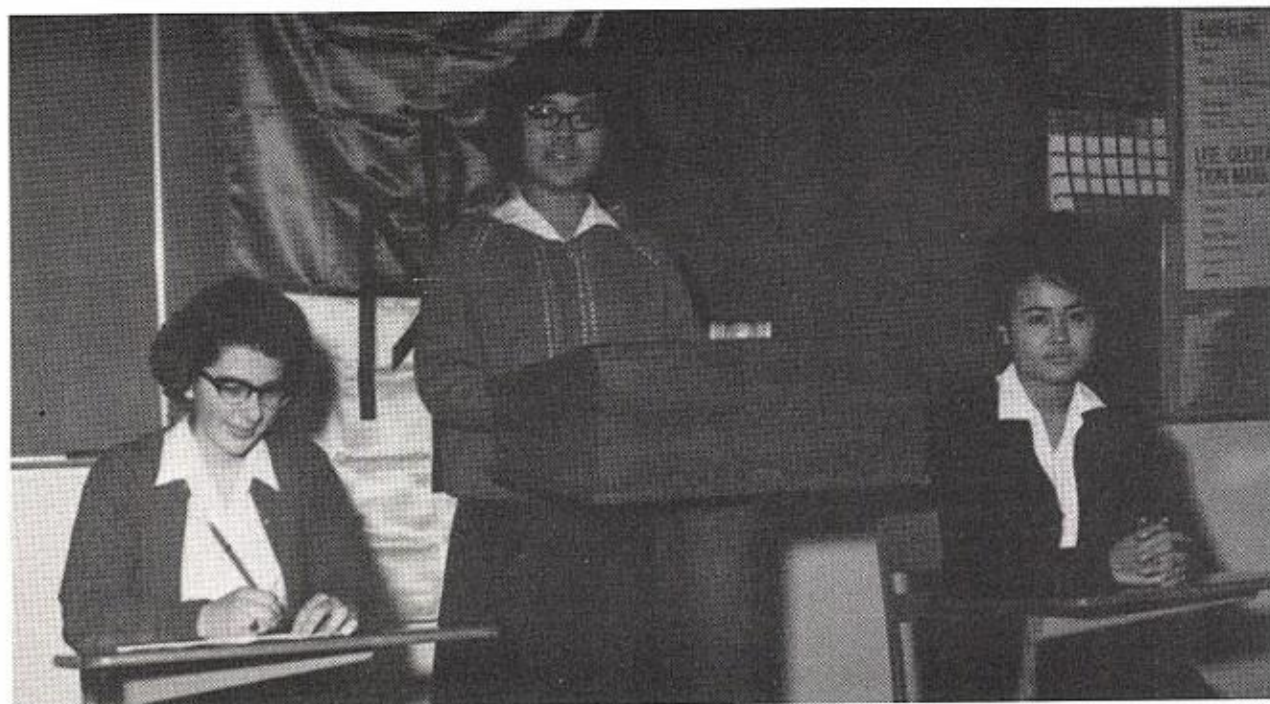

Dolores Gutierrez, Teresa Ward, Catherine Teague, Elizabeth Collins, Louise Zitnik, Elizabeth Wehagen, Sharon Lawrence, and Jessie Muro discuss in committee the ways a Sodalist can influence her surroundings.

Sodality aims toward ecumenical Catholic action.

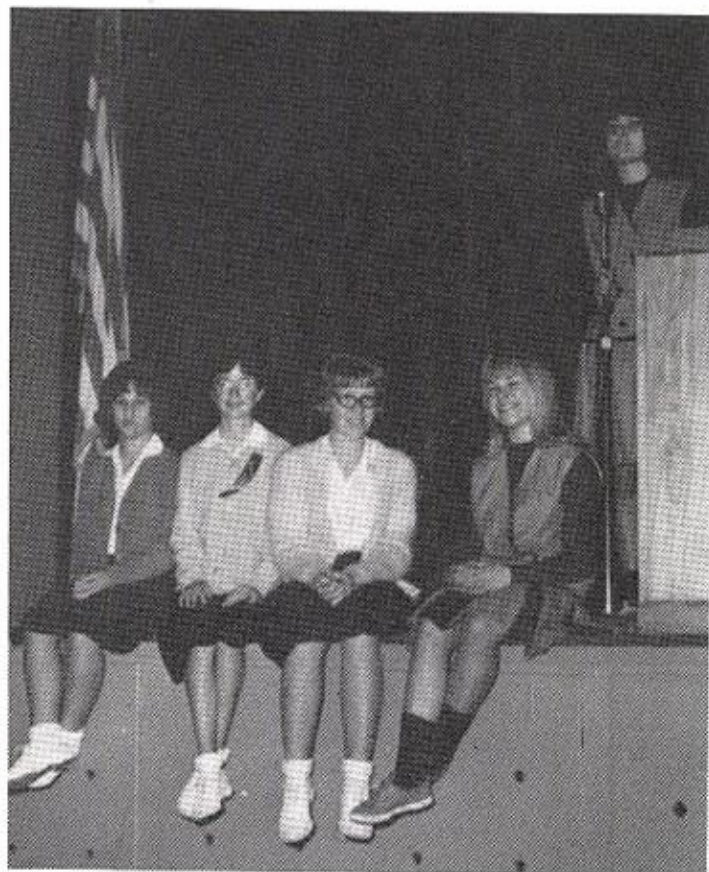

Sodality Treasurer, Leanne Nawrocki, counts the results of her well-advised Mission Campaign.

The officers of the Sodality conduct a general meeting under the blue and white banner of Our Lady. They are Jeanne Burnham, Secretary; Susan Matsumoto, Prefect; and Grace Shimabuku, Vice-Prefect.

The Catholic Action Group at Santa Clara High School is the Sodality of Our Lady. It operates under the traditional motto, "To Jesus Through Mary." It endeavors to develop Christian principle. Some visible exterior activities are Mission efforts, assistance to the local poor—especially at Christmas and Thanksgiving—and the minor social functions.

Students present words and thoughts for others to absorb.

Forensic League members prepare to give demonstration speeches in different divisions—impromptu, dramatic interpretation, poetry, etc. The students are Marianne Lucido, Nancy Farrell, Catherine Mahler, and Anita Bishop. Francis Insalata is behind the microphone.

The Clarion, our school newspaper, is staffed by, STANDING: Lawrence Foltz, Patrick Groves, John Tomko, Michele Rasch, Editor. SEATED: Dorothy Martell, Susan Cresto, Susan Matsumoto, and Elizabeth Collins.

Competent Freshmen assume student responsibilities at Santa Clara. Freshman Class Officers are: Celeste Westfall, Anthony Camuti, Mary Dee Cavanagh, and James Ryan.

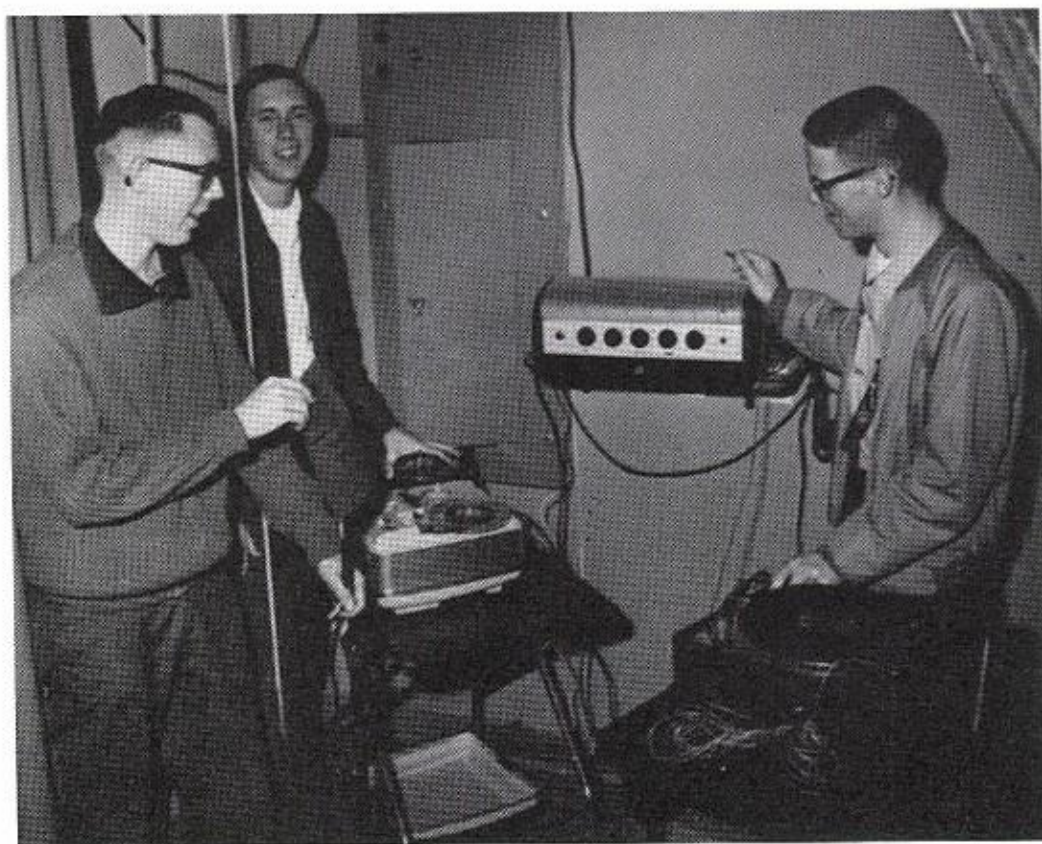

Students plan trek for Forensic competition at Camarillo High School. Melissa Melott, Mary Condon, Mary Martha Olivares and Patricia Friedrich look forward to the prestige of belonging to a National Forensic League.

The Clarion is the antidoted publication put out by the news staff. It informs the Student Body of all pertinent news. The Forensic League, just recently formed, "speaks" its way through class time. In both their spoken and written words these organizations assist in developing an informed and balanced Student Body.

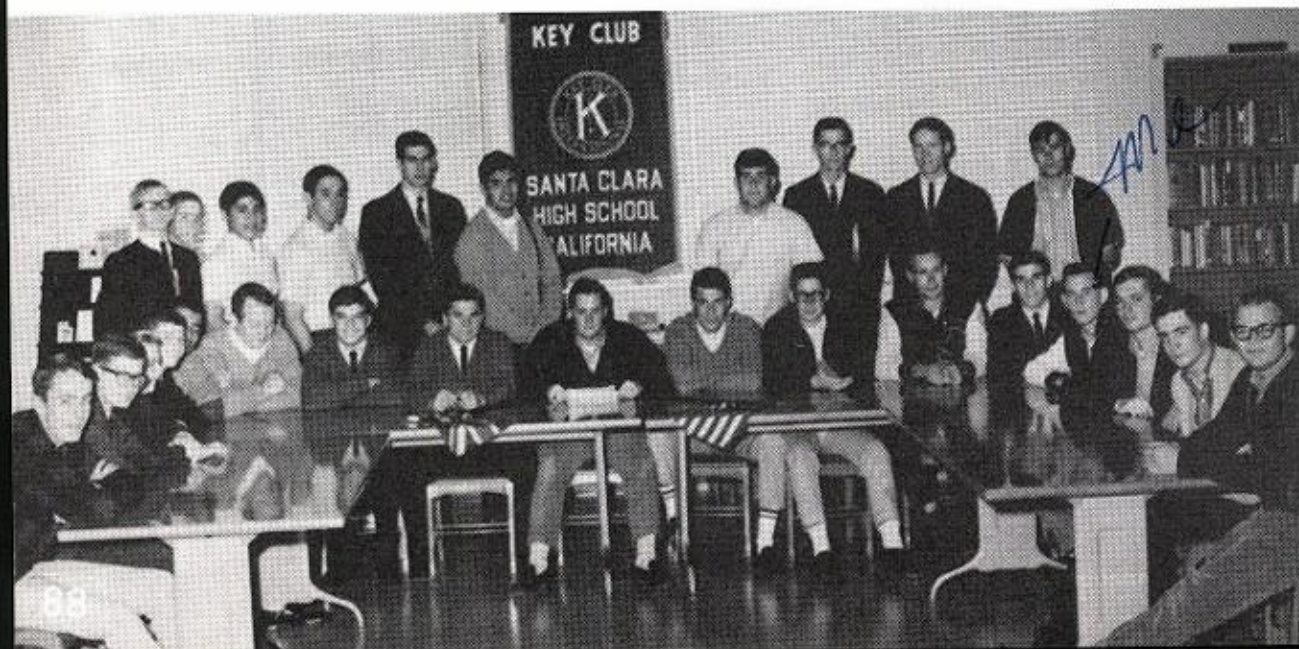

In an effort to become world-minded Santa Clara High School has established a chapter of the American Field Service. Officers of the Student Division this year are: Thomas Westervelt, Michael Brucker, Natalie Malbon, Joseph Truxler, and Patricia Holden.

Capable students assist faculty in scheduling and manipulating Audio-Visual material. Students are Richard Maulhardt, Lynn Maulhardt, and Alfred Friedrich.

Red Cross members endeavor to become conscious of community needs. Some of the active members are Celeste Westfall, Nancy Farrell, Margaret Meade, Marcia Oney, Catherine Mahler, and Lauri Vanoni. Miss Patricia Mann is the faculty advisor.

The Key Club is a service organization at Santa Clara High School. It is under the sponsorship of a local chapter of the Kiwanis. Members are pictured below. President, Michael MacKenzie, is seated under their banner.

Santa Clara community

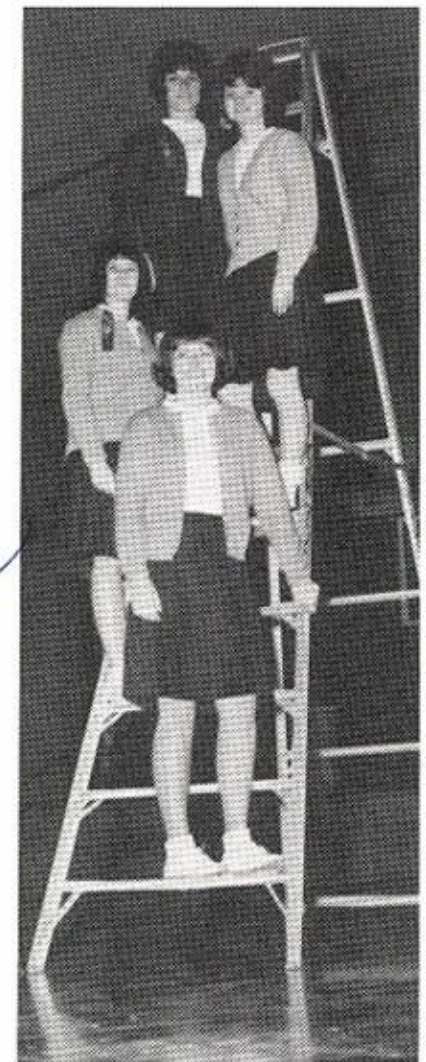

SERVICE CLUBS—Extra work, extra fun, extra rewards are achieved through these clubs. They make a tremendous contribution in making the students conscious of the needs of all peoples at home and abroad. In this kind of education we gain an understanding and develop a desire to serve our fellow man in the light of the principles which we have established by our work in the classroom.

SANTA CLARA

Under the proud direction of Mr. Louis Cvijanovich, Santa Clara's capable coach, Susan Taylor, Lindy Miller, and Susan Borchard display a new and cherished piece of poster work.

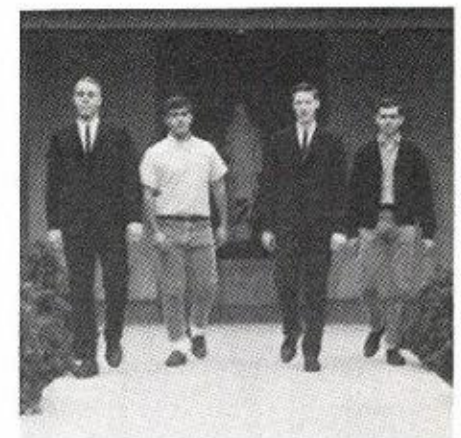

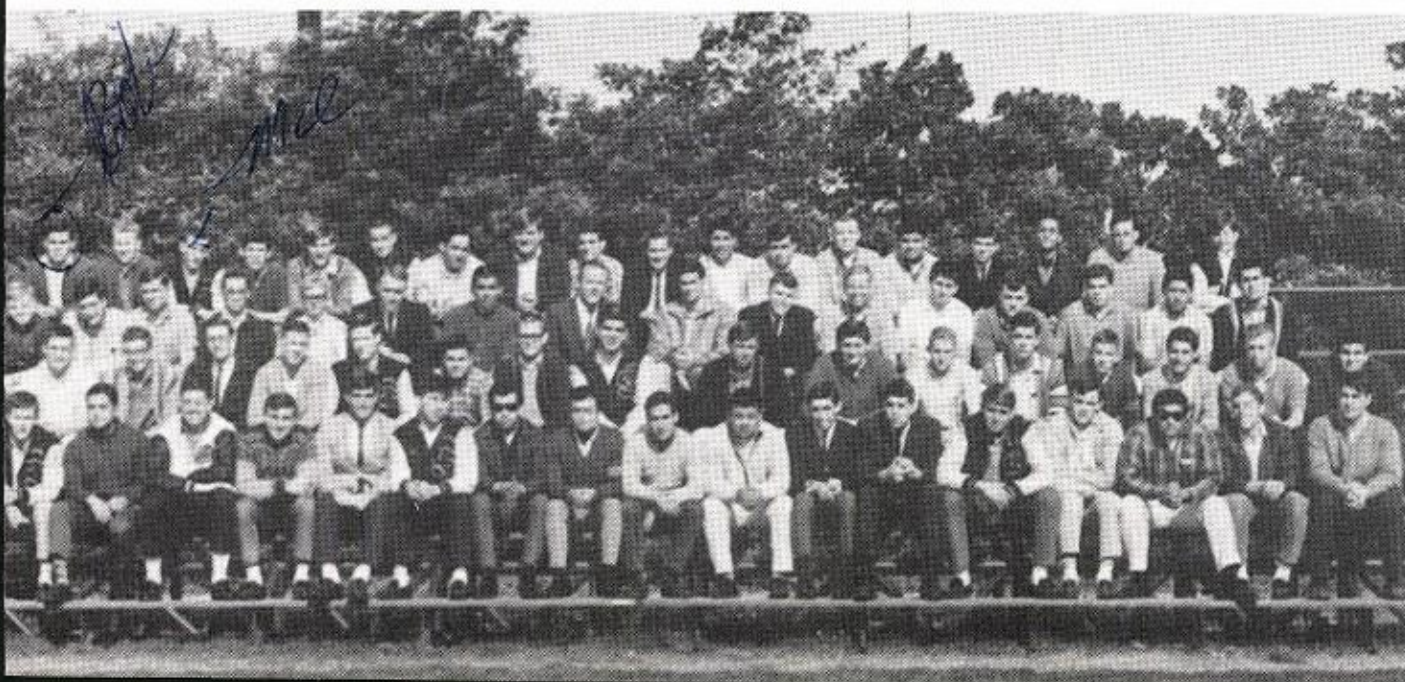

The Rally Club is the inner circle that keeps Santa Clara's Spirit on top. Active members are: Lindy Miller, Susan Taylor, Bonnie Burkart, Sue Sueyres, Jennifer Gomes. ROW TWO: Alexis Zuber, Ellen Diedrich, Mary Ann Kehoe, Sandra Bulger. ROW THREE: Marlene Metcalf, Carolyn Dwire, Andrew Anguiano, Susan Borchard, Janet Brazeal. ROW THREE: Kenneth McDonald, Kathy York, Patricia Holden, Claudia Petre, Francia Insalata, Chris Borchard, Paul Parong. ROW FOUR: Robert Gianelli, Martha Rodriguez, Patricia McPherson, Kathy Friedrich, Lynne Cunningham, Anita Bishop, Karen Zabroski, John Hernandez. ROW FIVE: Edward Berry, Elaine Camuti, Patricia Malbon, Richard Biocca, Daniel Melott, Marilyn Reno, and Loren Davis.

Officers of the Rally Club keep the Saints on the top. They are: Alexis Zuber, Ellen Diedrich. TOP: Mary Ann Kehoe, and Sandra Bulger.

Santa Clara is proud of its spirited Lettermen. They are pictured below.

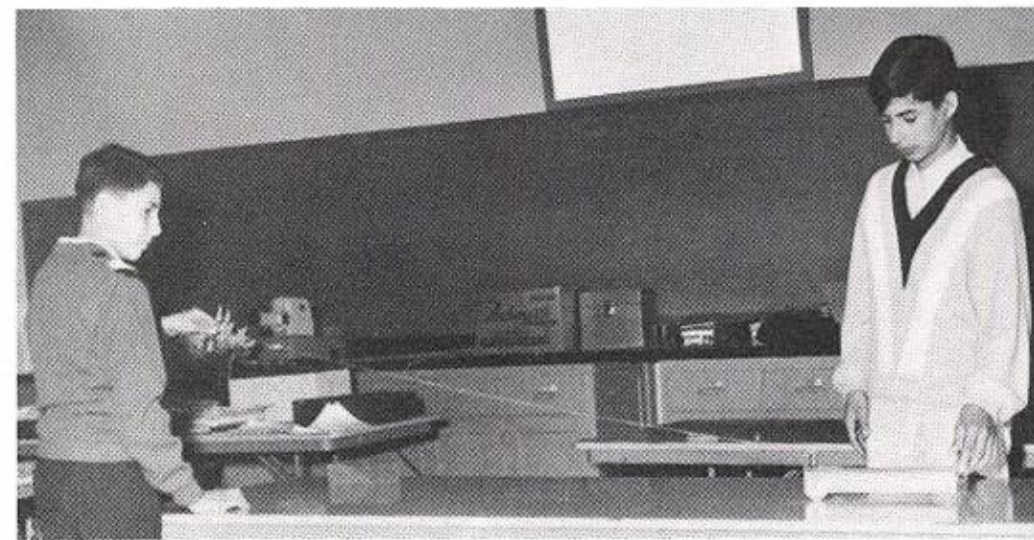

The Lettermen Club is under the able leadership of Michael O'Brien, Robert Gianelli, Paul Miller, and Joseph Truxler.

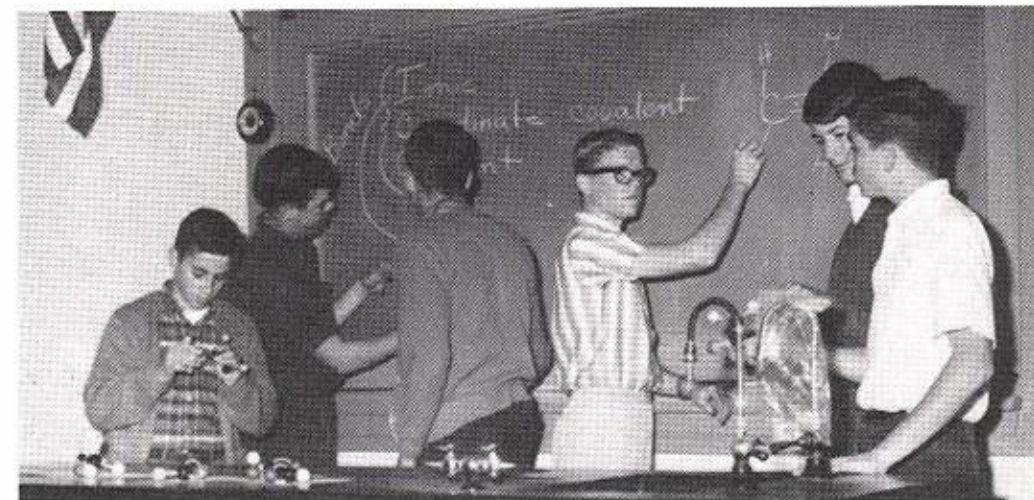

Richard Maulhardt, Brother Emeric, and Mark Goulet (President of the Ham Radio Club) demonstrate one of their radios.

Science Clubs assist students in the appreciation of the natural phenomena around them.

Science Club Members, Paul Howell and John Skaggs, demonstrate some of the minor laws of physics. William Wintersteen (NOT PICTURED) is the chairman of the physical science division.

These students are interested in problems using the structural formulas. They are James Ryan, Dean Maulhardt, Stefan Nyarady (chairman), Frederick Nehl, Steven Cormany, and Dennis Lang.

The basic structure of the human eye is the subject of study for these students. They are Douglas Graham, John Kuklenski, Robert Haydon. BACK: Edward Franco, Richard Ochoa (chairman), and Joel Bossoletti.

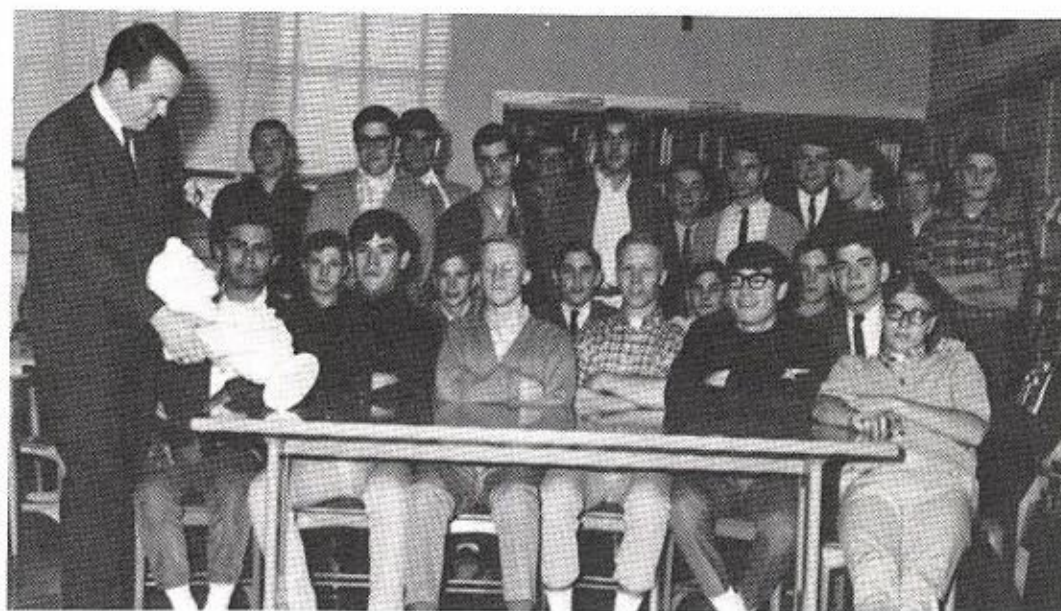

One group of Latin Club members assembles for meeting.

Latin and Spanish Clubs develop cross culture understandings.

Latin Club Members, Paul Howell, Daniel Melott, Patricia Friedrich, Richard Conrad, Terrence Fleming, Karen Zabroski, and Juliana Ward, are showing their gift to the Library. Officers of the Club are: Richard Conrad, Quaestor; Karen Zabroski, Scriba; Patricia Friedrich, Censor; and Daniel Melott, Consul.

Language clubs strive to break the barrier that causes disunity among peoples. Through the study of foreign language and the culture of peoples they destroy the prejudice unknown to truly Christian peoples.

Boys of the Latin Club show interest in ancient culture.

Sister Adele Marie and the Spanish Club Officers, Elizabeth Wehagen, Richard Perez, and Nancy Braden, prepare for Spanish festivities.

Students of the Spanish Club arrive in Room 10 to prepare for Spanish meeting.

Terrence Fleming moderates an inter-class Knowledge Bowl. Competing in the "battle of the brains" are: Susan Matsumoto, William Maynez, Charles Conway, Michael O'Brien, Michael Brucker, Richard Schmitt, Louise Zitnik, and Richard Maulhardt.

Marilyn Reno, Patricia Friedrich, and Mary Condon advertise the tutoring service of the CSF.

These CSF'ers represent the highest scholastic average attainment in our school for the first semester.

The top eight percent of our student body is able to obtain the ten points necessary to be a member of the California State Scholarship Federation.

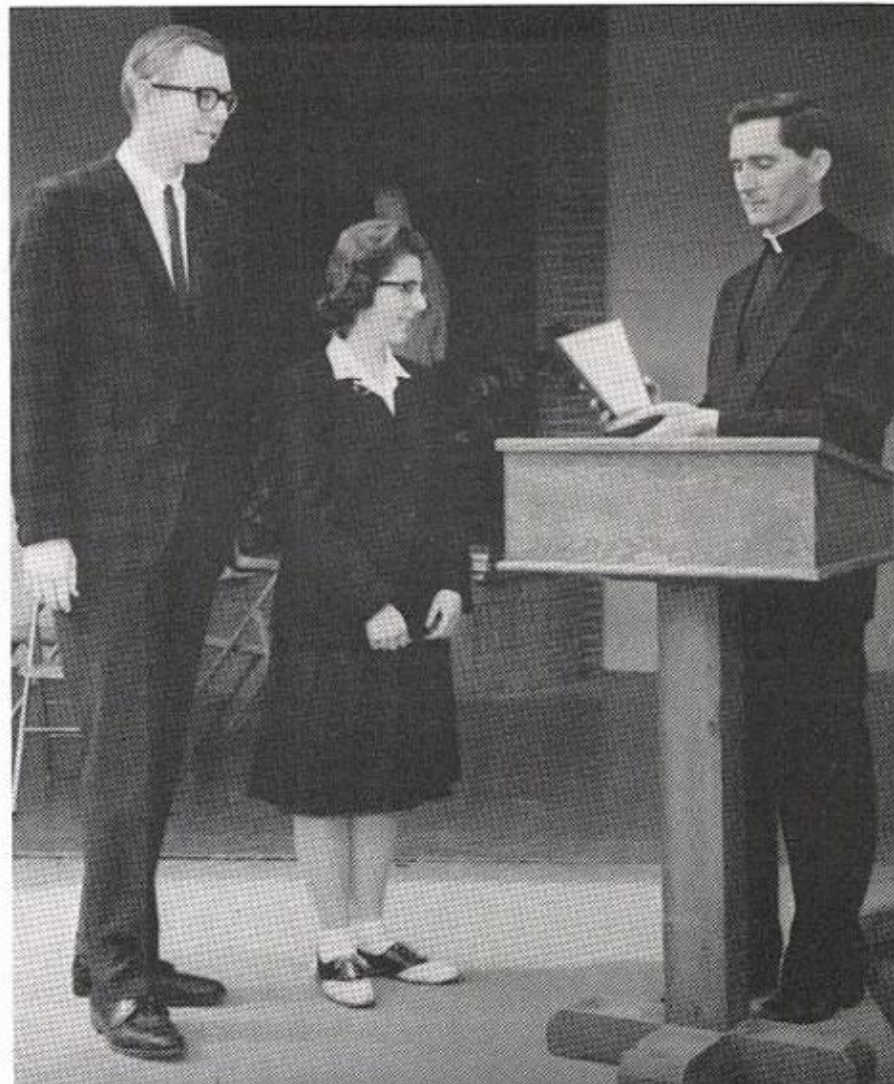

Officers of the CSF prepare for meeting. They are: Charles Conway, Treasurer; Grace Shimabuku, Secretary; Charles Burnham, Vice-President; Clare Sieland, Historian; and Terrence Fleming, President.

Four of Santa Clara's high CEEB scorers applied for California State Scholarships and became semifinalists. They are: Ronald Clement, Susan Matsumoto, Sharlene Robison, and Dennis Sullivan.

Bank of America Certificate Winners are: Ronald Clement, Lab. Science; Sharyn Farrell, Home Economics; Frances Lagomarsino, Mathematics; Charles Conway, History; Yolanda Alvarado, Foreign Languages; Susan Matsumoto, English; and Mary Espinoza, Art.

Rev. Carrol O'Sullivan, Principal, presents Bank of America Trophies to Richard Maulhardt for excellence in the fields of science and mathematics and to Jeanne Burnham for outstanding work in liberal arts.

Four semesters (one in the senior year) of high academic scholarship qualifies these students to be life members of the California State Scholarship Federation. Scholars are: Robyn Adamina, Susan Matsumoto, Jeanne Burnham, and Charles Conway.

Santa Clara has an active chapter of the California State Scholarship Federation. In an effort to develop in its members a "Scholarship for Service" mentality, it has promoted two intellectual projects—knowledge bowls within the school and between schools in the area, and a tutoring service for students who need extra help. Its publicity efforts to keep the Student Body aware of its membership and the members of the B-Honor Roll Society have done much to make students learning-conscious.

Two CFS members receive trophies for outstanding service in the organization. Trophy winners, Jeanne Burnham and Terrence Fleming, are pictured with the "Scholarship for Service" awards.

Santa Clara's scholars merit recognition.

Each of us is one of A WONDERFUL WORLD OF SAINTS.

HOMECOMING

Our queen, Christine Soto, and her escort, Mr. Ugly (Raymond Boucree), preside over our homecoming activities.

Francia Insalata and Martha Rodriguez are happy to escort their sophomore float.

The queen and her court approach the grandstand after half-time activities. They are: Robert Williams, Maureen Pearson, Robert Powell, Anita Bishop, Christine Soto, Raymond Boucree, Timothy Davis, and Clara Malinits.

represents the focal point of school spirit and loyalty at Santa Clara High School.

The freshman float says, "lick 'em." John Ramirez cheers for his class.

The last home game, when royalty reigns, floats parade, classes chant — this is homecoming. Pride swells largest then because this is when you show the opponent what a great school you have; your team fights harder, and you cheer louder. Homecoming comes once a year and leaves behind it happy memories.

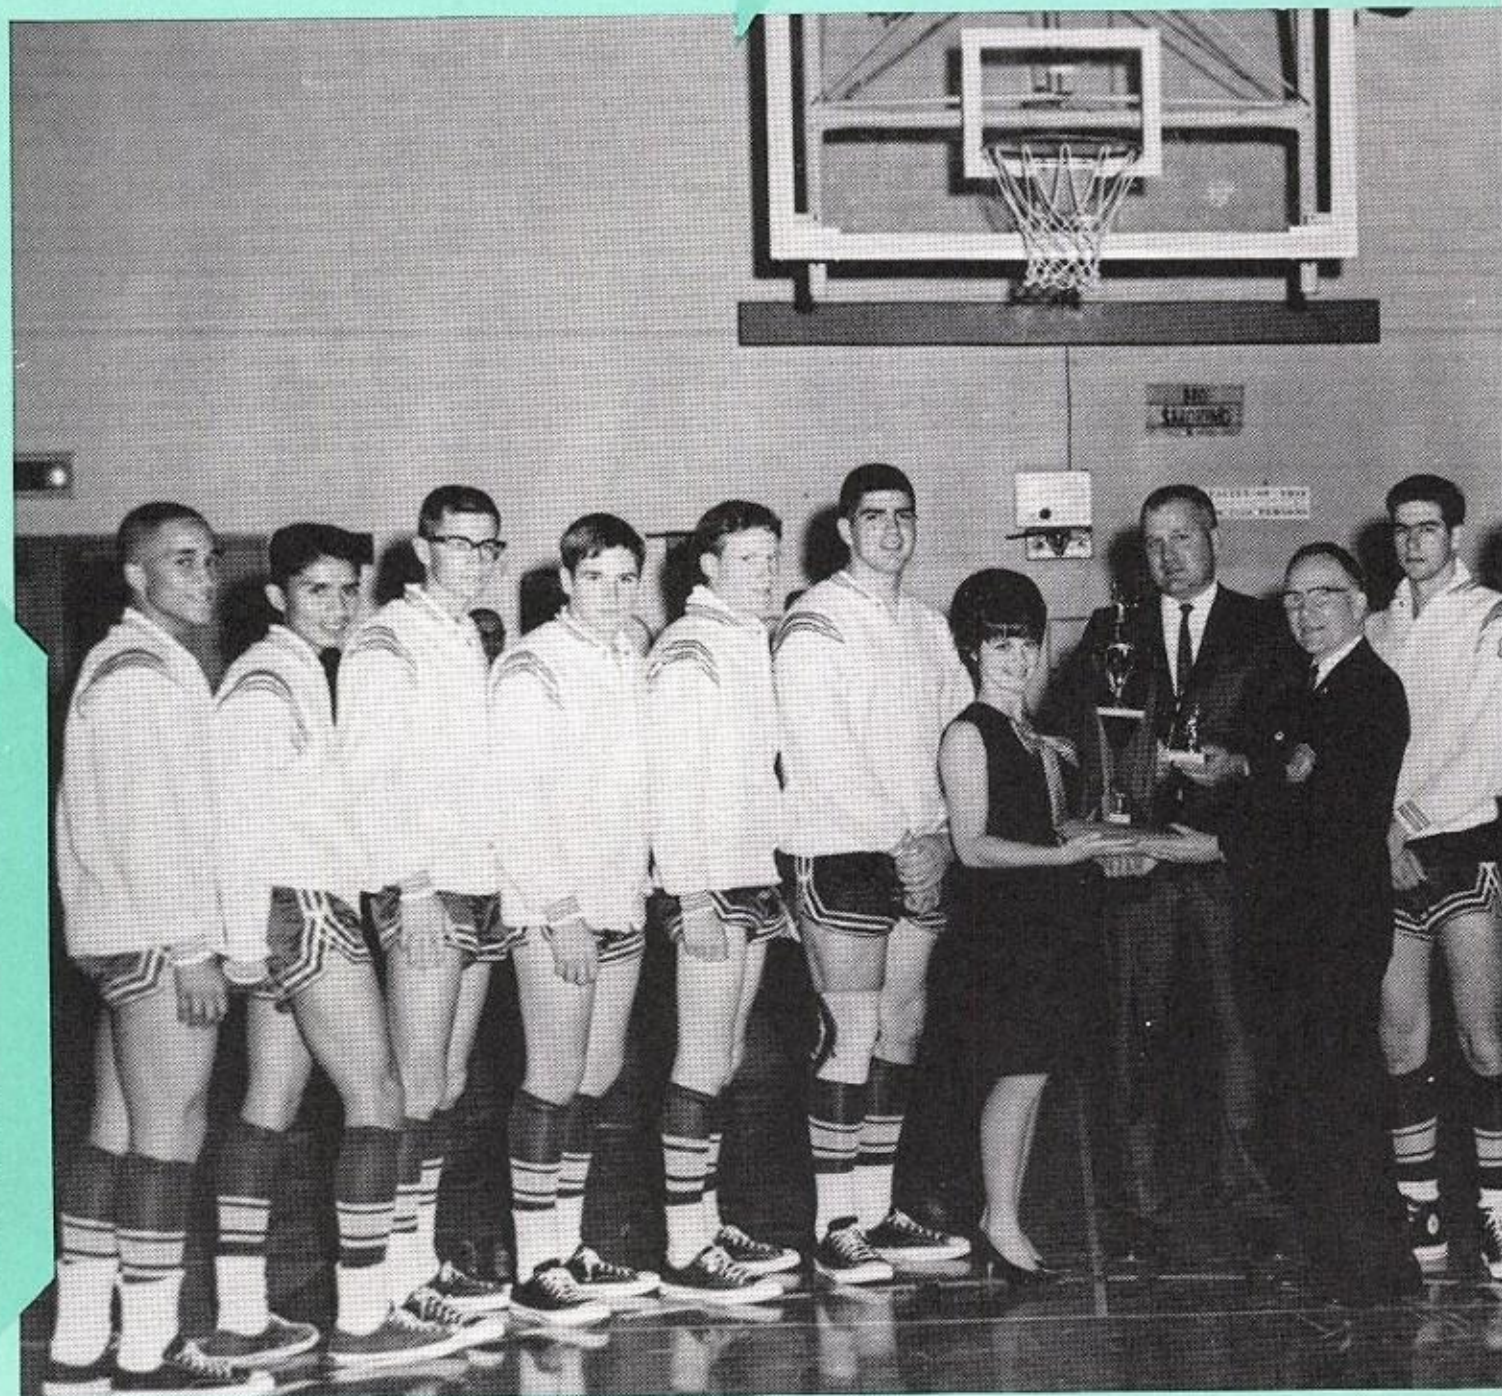

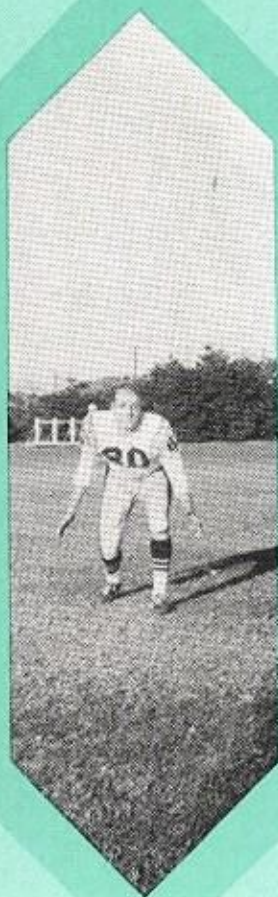

Sandra Bulger flies high in her last efforts to get ready for homecoming.

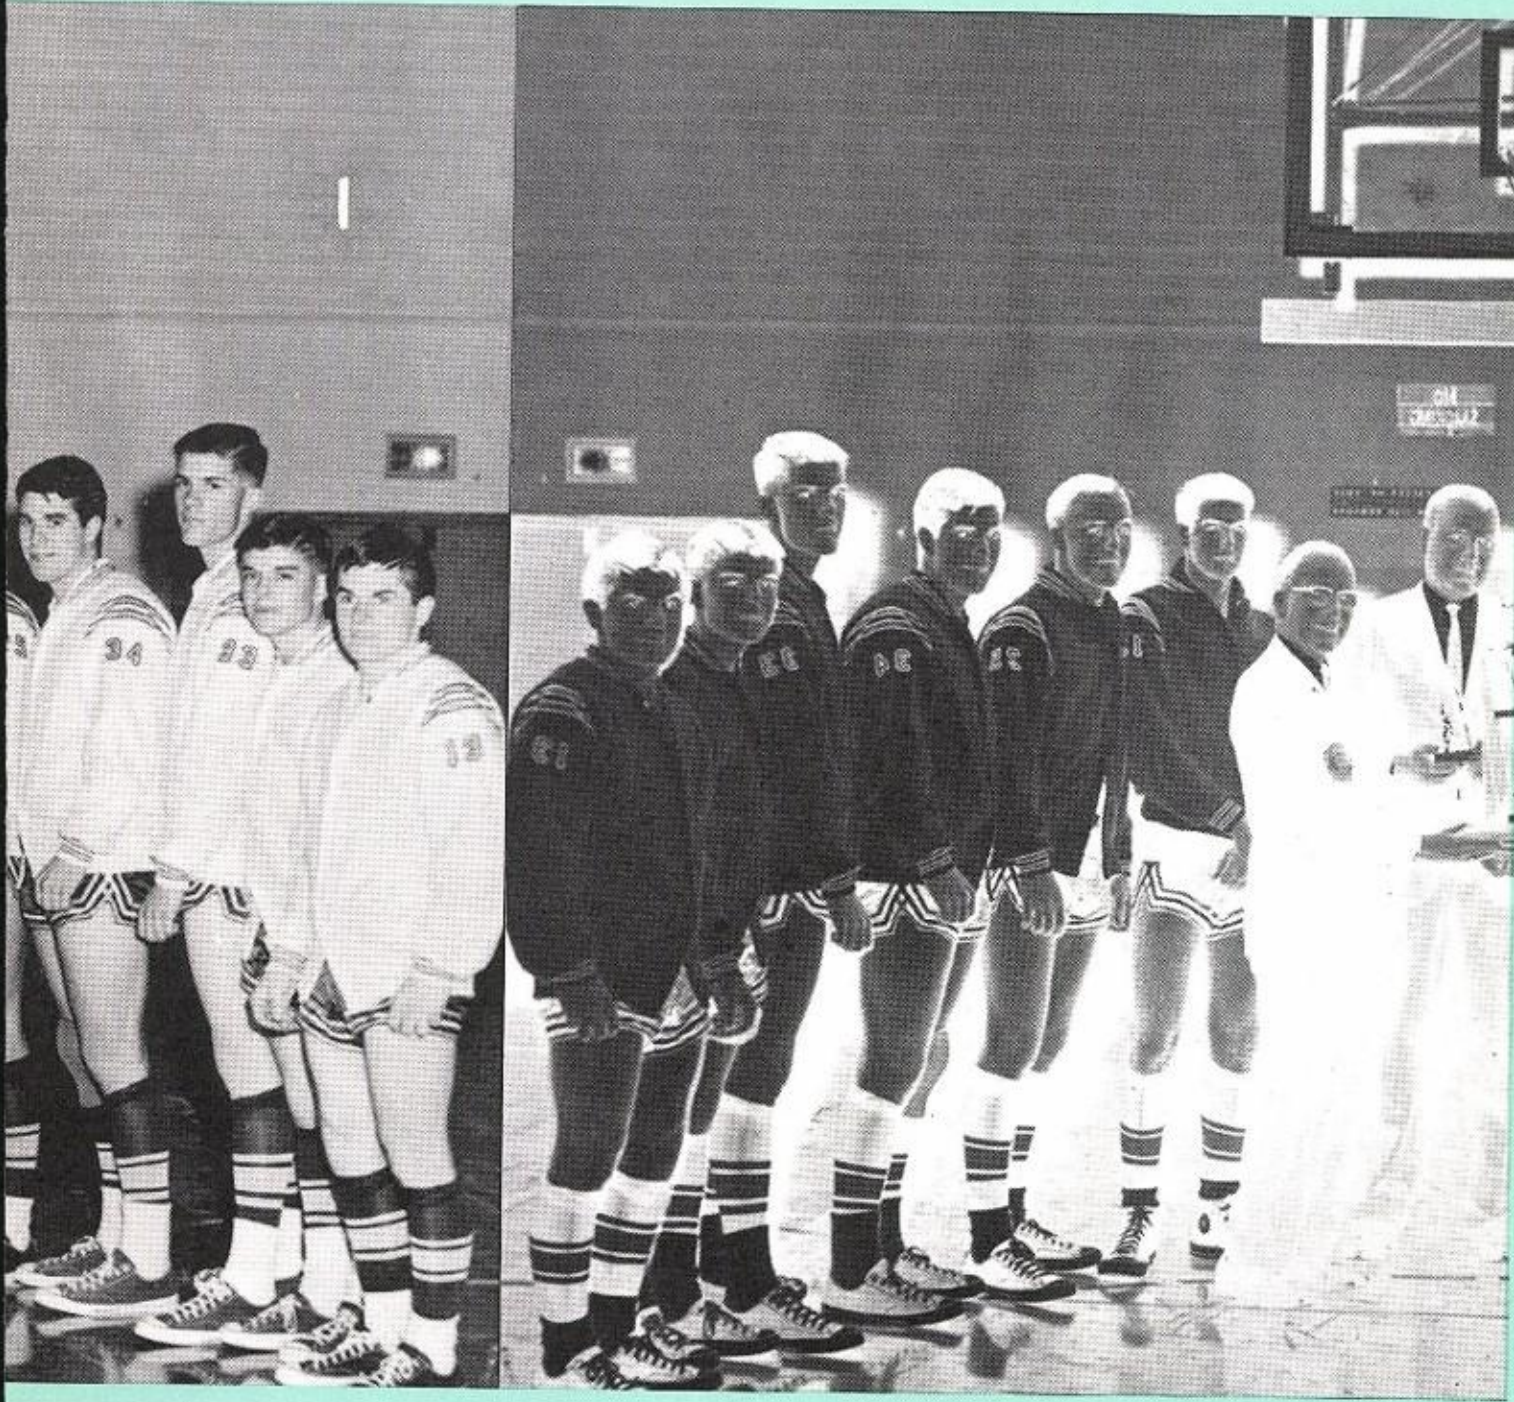

The senior float prepares to parade past the grandstands. John McCarthy and James Halton are proud to lead their mascot, the road runner.

*"It may be that the gulfs will wash us down;
It may be we shall touch the Happy Isles,
And see the great Achilles, whom we knew.
Though much is taken, much abides; and though
We are not now that strength which in old days
Moved earth and heaven, that which we are,
we are;
One equal temper of heroic hearts,
Made weak by time and fate, but strong in will
To strive, to seek, to find, and not to yield."*

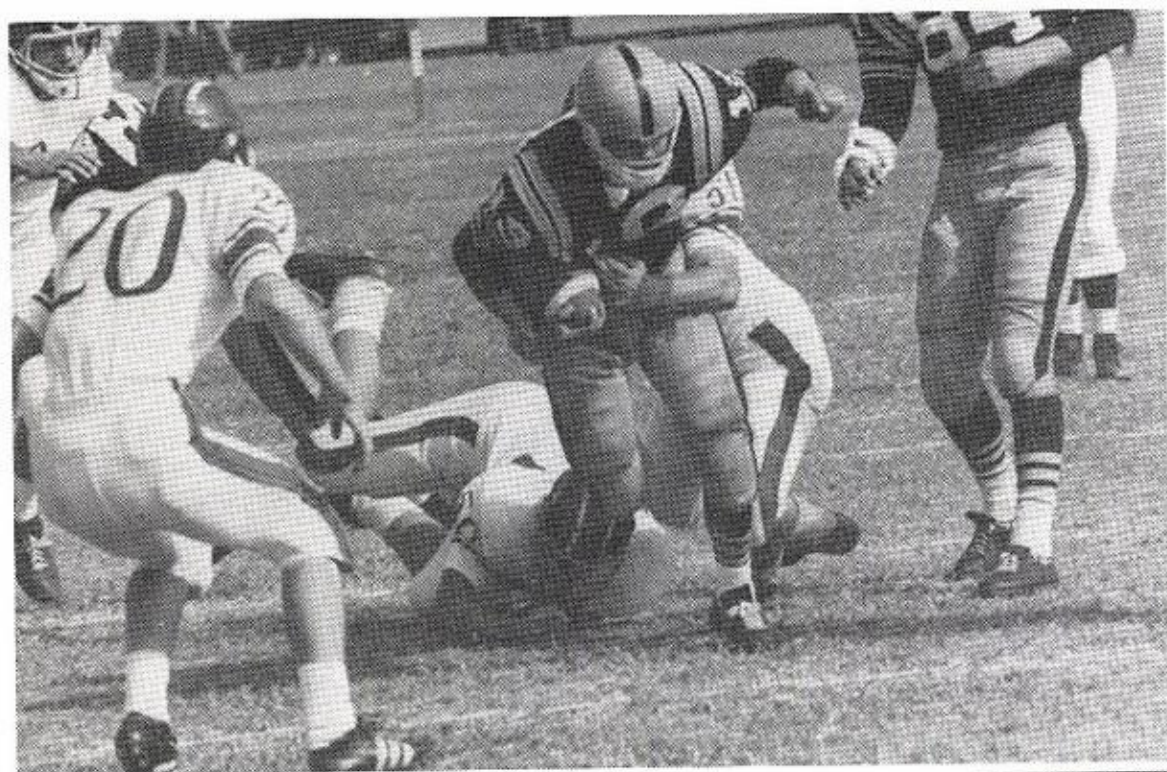

ATHLETICS

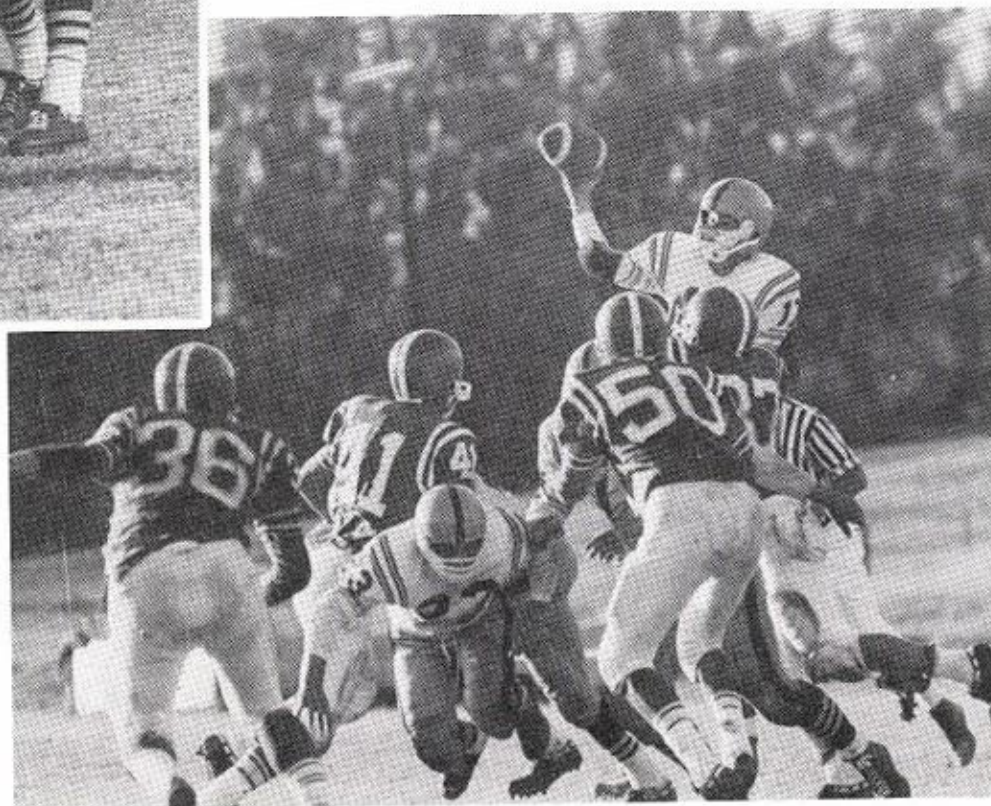

Luis Vicuna takes handoff from Archie Soliz for a 30-yd. run as James Waters and the rest of the S. C. line rips a hole in the Cards.

SAINTS stopped

Gil Gonzalez is stopped by Villanova.

Soliz gets off pass under heavy opposition.

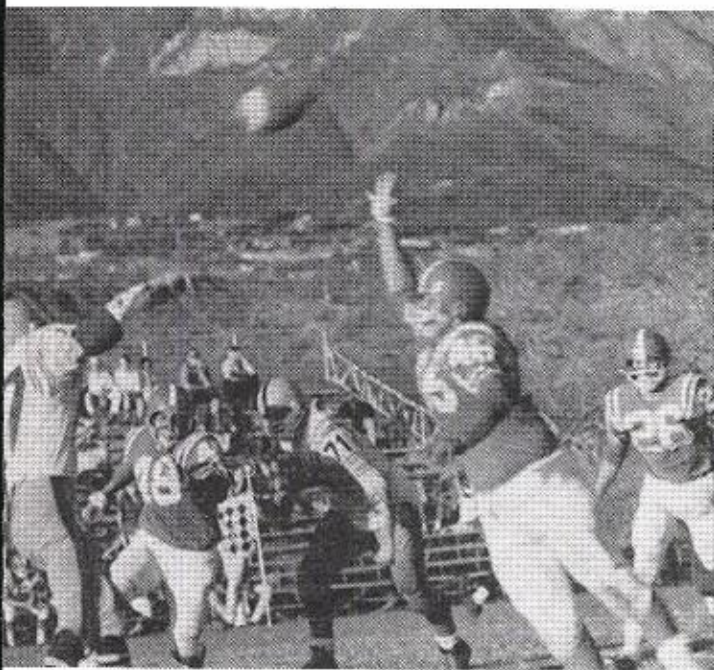

Vicuna is pulled down for short gain despite blocking by Jack Hennessey.

The season ended with tears in the eyes of the Santa Clara Saints. The team had made a terrific comeback from its season-end's slump but was still overpowered by Santa Ynez. The excited students crowded around the field awaiting the re-run of the play that brought Kurt Kenney so near to giving us a share in the Tri-Valley League title. How fitting an end to a season which started with stunning victories over our opponents, if only we could make it in the overtime!

Mike O'Brien showed that skill as defensive and offensive end which won him an All-League title. Bob Gianelli, line backer, played with that same power and aggressiveness that had marked him throughout the season for another winner of an All-League title. His interception of an Ynez pass set up the second Saint's score. Archie Soliz and Ted Holden, our quarterbacks, gave a scrappy showing like that which enabled us to defeat Villanova. Gill Gonzalez, our powerful fullback, on his end-sweep for a T-D brought back memories of his crushing drives against Bishop leaving trails of battered opponents lying on the turf.

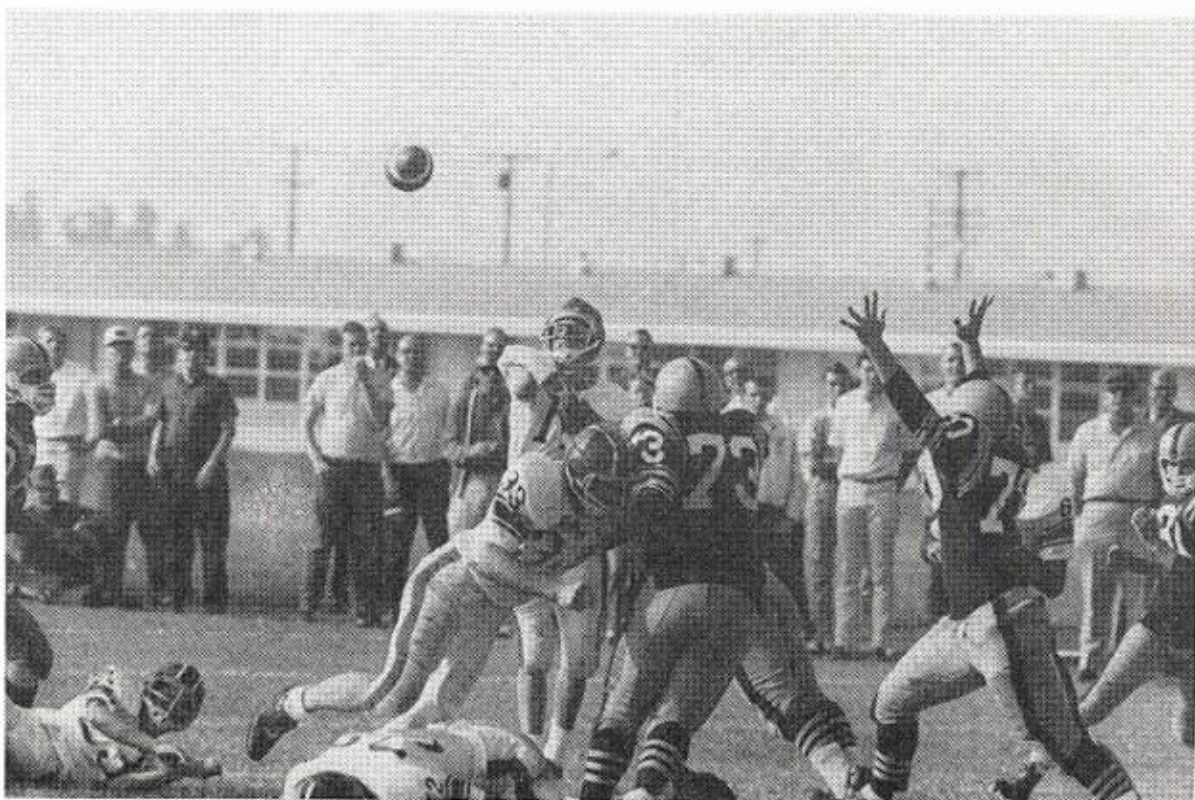

In all, our team was a credit to our school. As Coach Cvijanovich said, "They were fantastic. Watch out next year." And so, our loyal thanks and appreciation are extended to our team and coaches for their work over a long and hard-fought season.

J.V. — '64 CHAMPS

Saints' undefeated J.V. team wins the CHAMPIONSHIP.

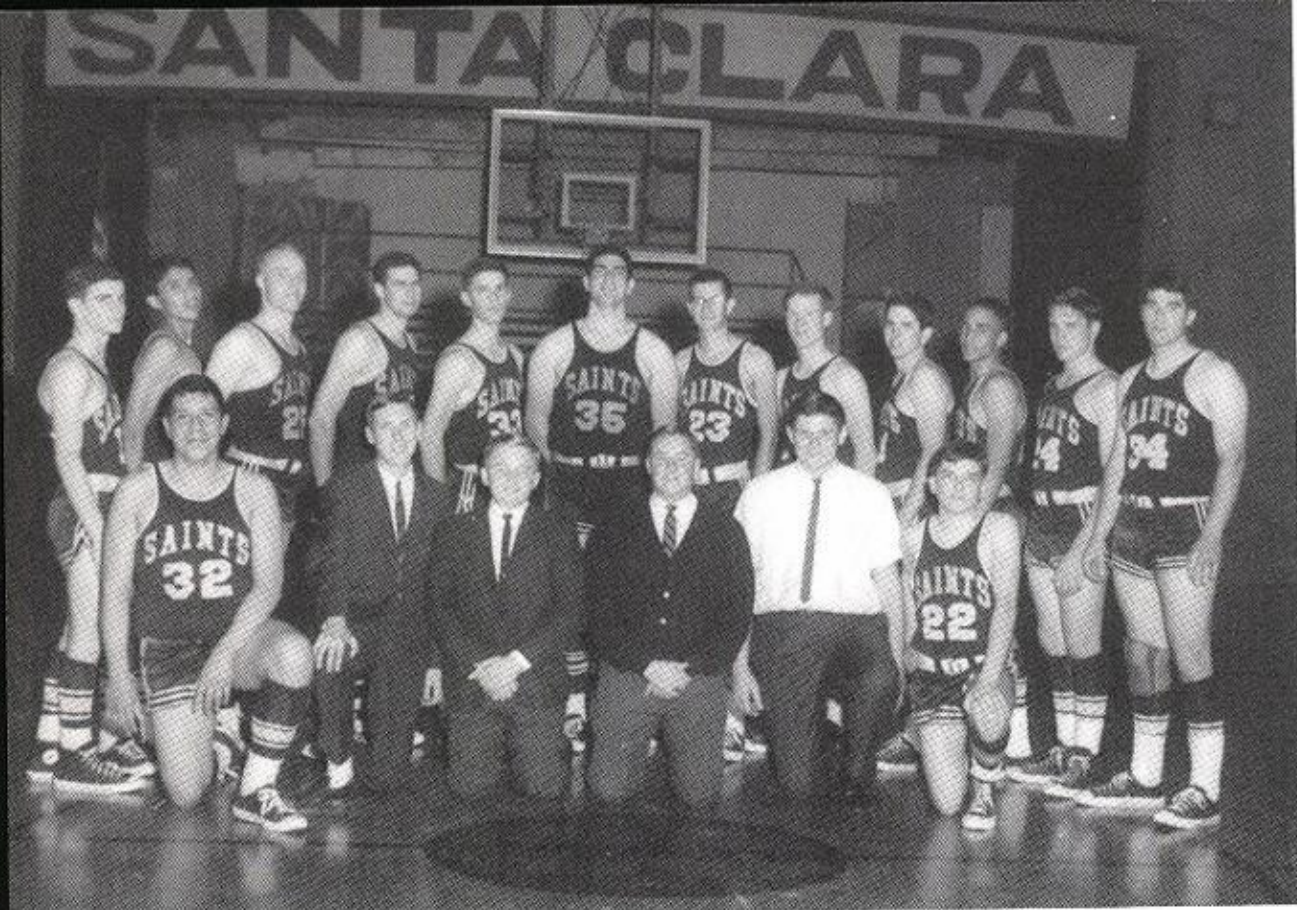

Coach Robinson stressed the importance of the "team effort" given by his group of boys in giving the school an undefeated season and the title. Mike Rich and Mickey Callahan, the assistants, must share some of the honor for bringing in such a fine team.

Despite a 20% casualty rate the team kept its unbeatable power the whole season. The 230 lb. average defensive line starred big John Ramirez, who also was the number one center. George Garcia was especially noticeable as our best guard. The back-field gave Mr. Robinson's "1-2 punch" with the brilliant play of Bob Williams and Tom Parizo. Williams was the season's top scorer.

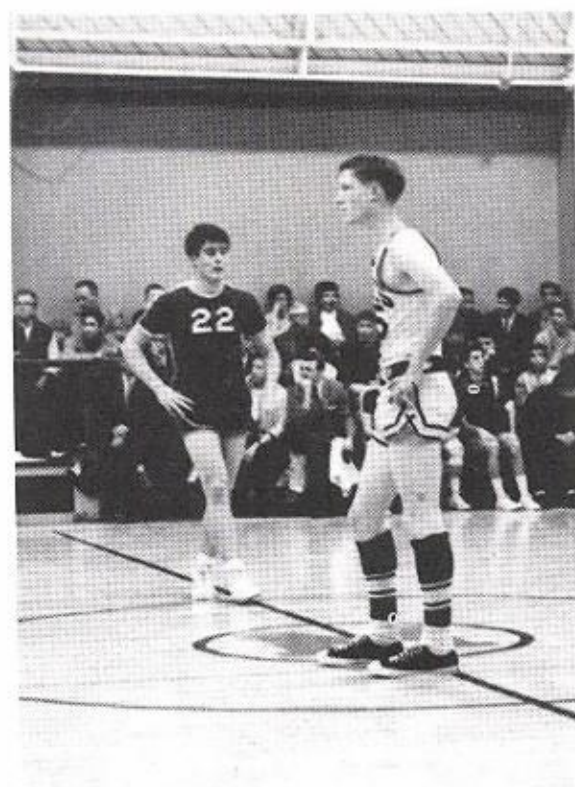

Our thanks and congratulations are due to what their Coach called "the finest group of boys I've ever worked with" and, certainly, the best Junior Varsity Team to ever represent our school.

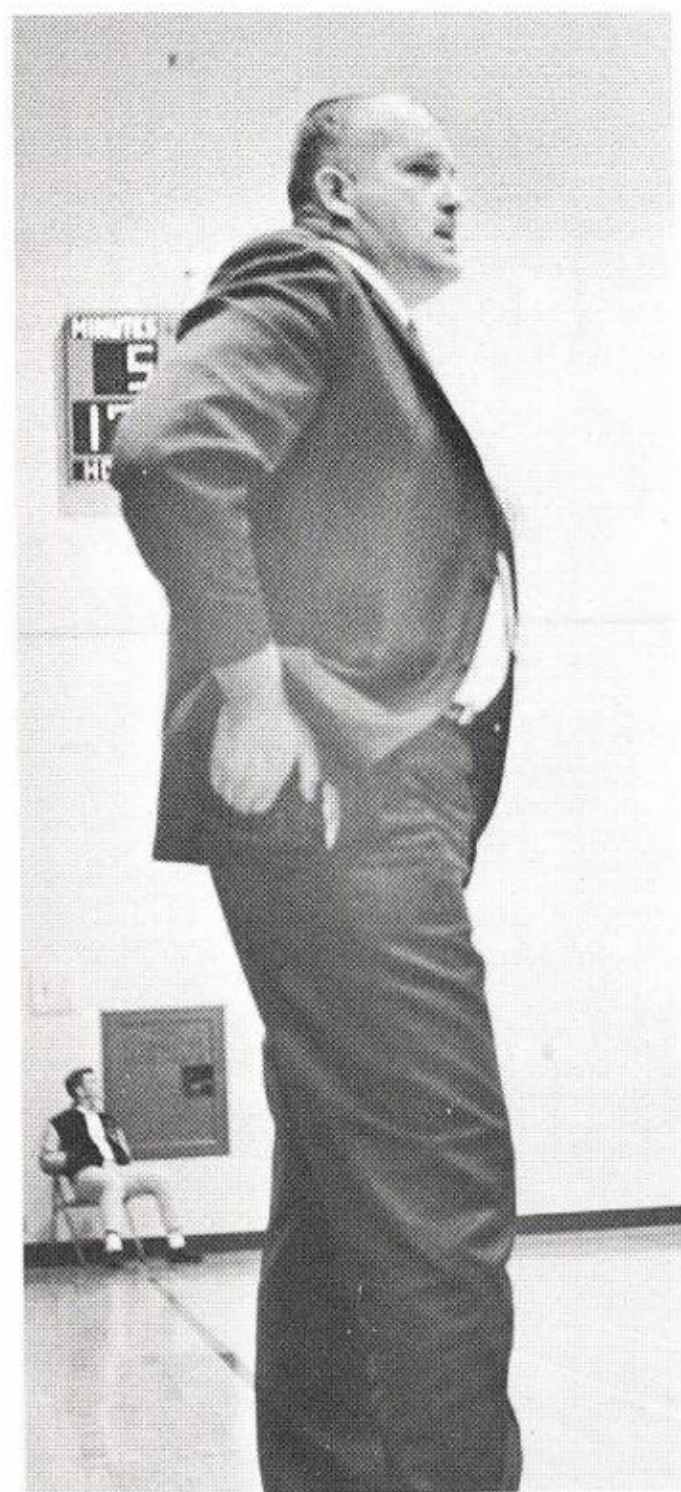

Coach Robinson addresses assembled J.V. Team.

The team that put us in the AA CLASS. Team members are: John Ramirez, Lynn Maulhardt, Mike Huff, Mike McKenzie, James Hooker, Tom Westervelt; (standing) Ted Holden, Anthony San Miguel, Mike O'Brien, George Hansen, James Brick, Pete Orozco, Tim Wahl, Paul Miller, Don Merrell, Regi Brazell, Pat Withers, and Kurt Kenney.

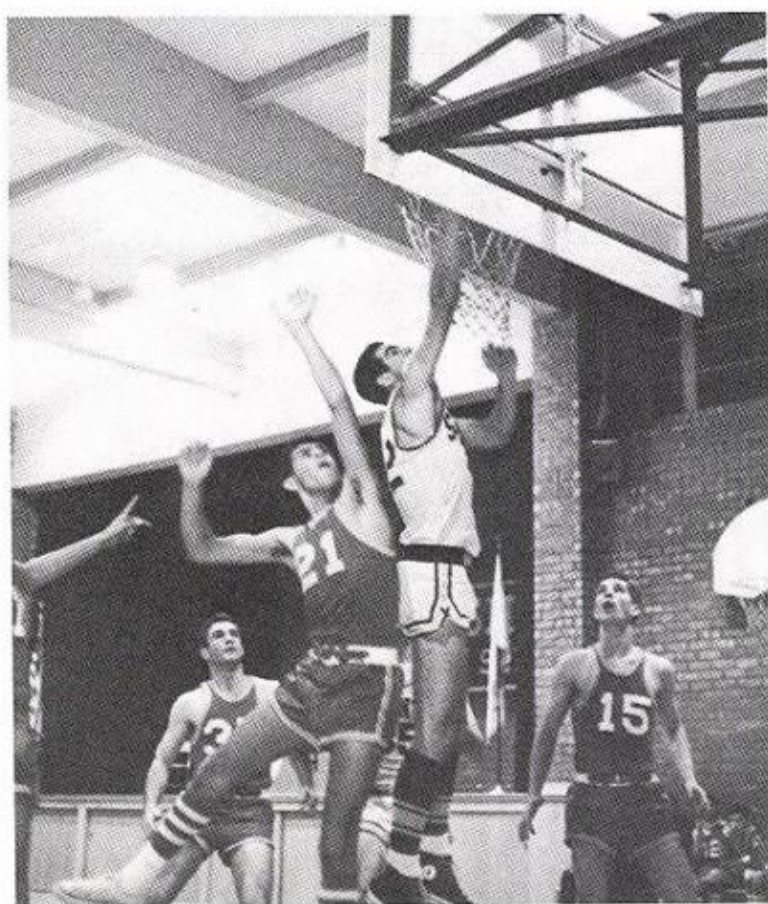

Paul Miller is a figure of determination as he waits on a referee's decision.

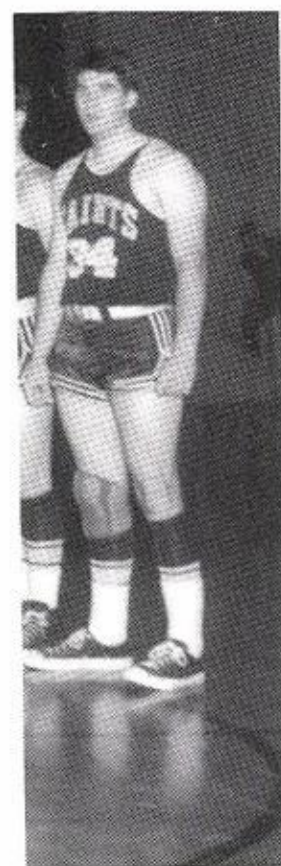

Mr. Cvijanovich shows tension in his famous game—time stance.

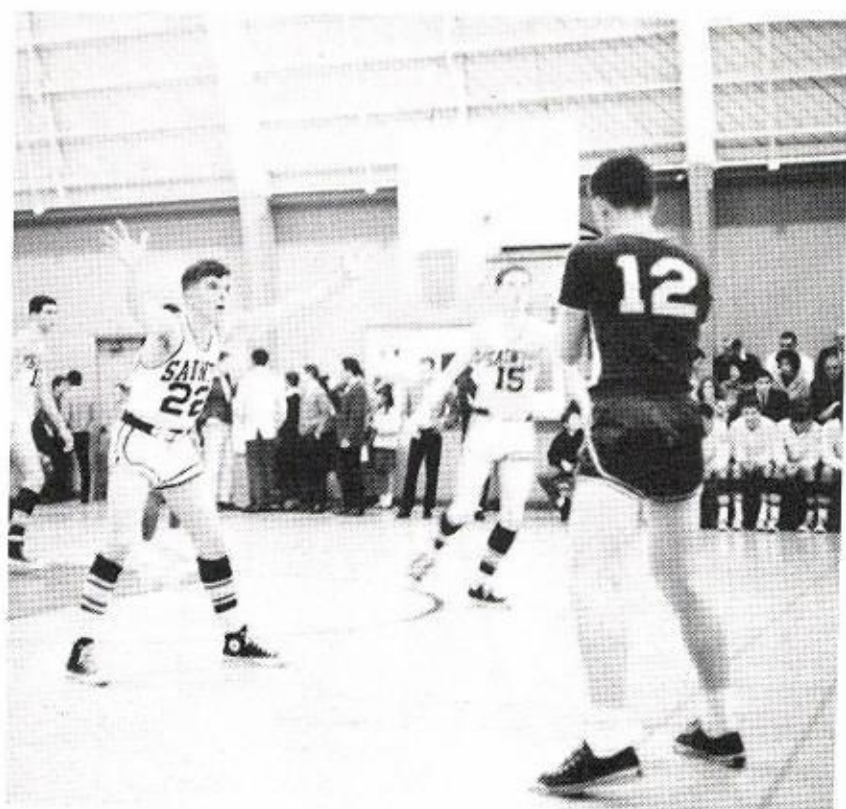

Mighty SAINTS breeze past

Hansen puts one in for another two points.

Kurt glances to the sidelines for Coach's instructions.

Tom Westervelt keeps 'em rattled with "poise and pressure."

82nd straight league victory.

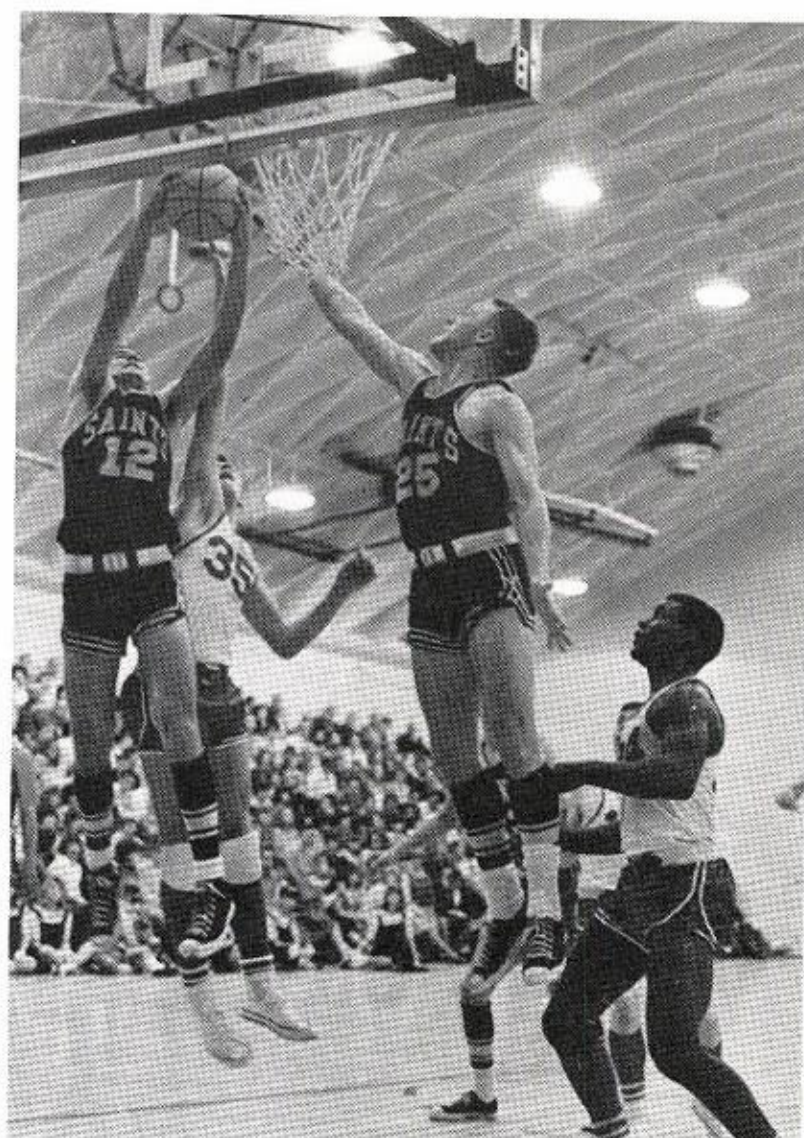

The '64-'65 Santa Clara basketball team preserved for the eighth year the tradition of remaining unbeaten in league competition. This year's team and their coach brought the total to 82 straight league wins.

The team was led and inspired by three powerful seniors. George Hansen, our leading scorer, was well appreciated for his ability to come down with rebounds. Mike O'Brien's power and fast reactions provided a constant encouragement to his teammates. Paul Miller was always there with a long shot from the outside whenever the opposition got rough.

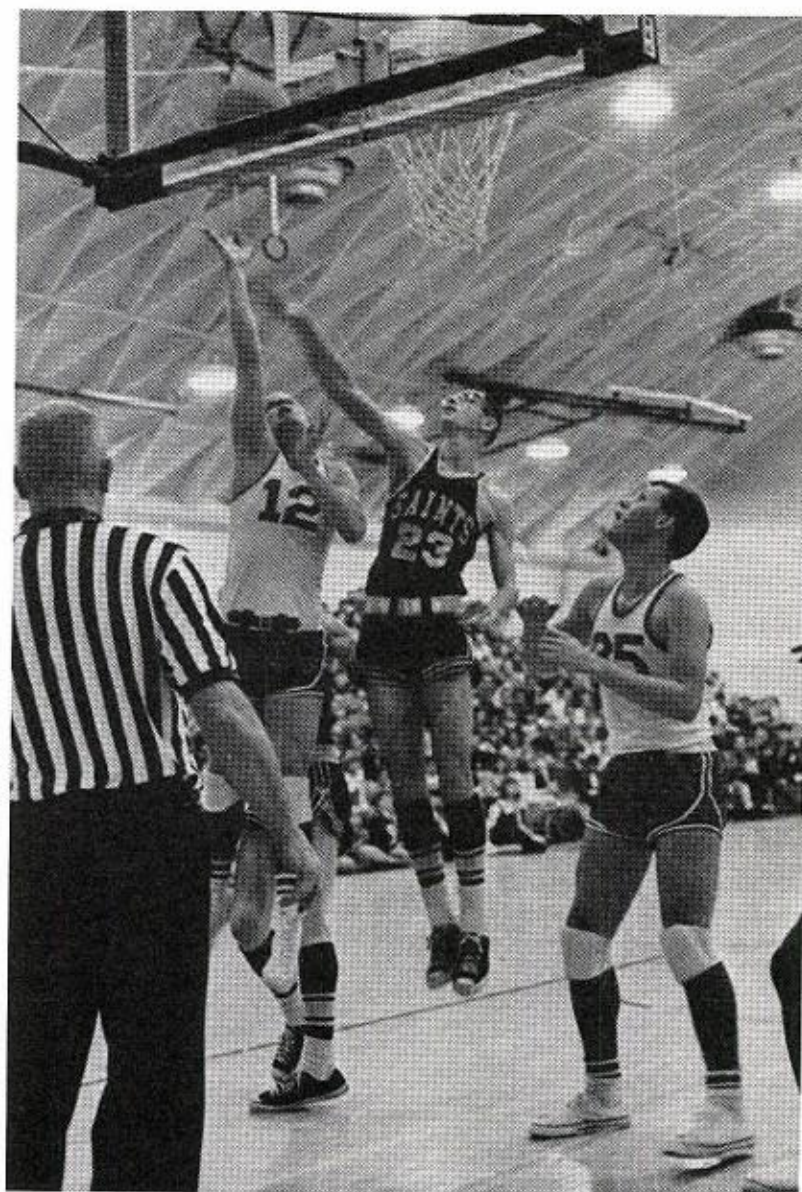

Kurt Kenney and Center, Pete Orozco, were the easiest players to spot on the court because of their size. Crowd-pleasing guards, Regi Brazell and Tom Westervelt, gave our games lots of flash.

Although our final game at Simi resulted in defeat, our brief stay in AA Classification indicated to everyone what an outstanding team we had.

Our gratitude and appreciation are extended to our hard-working Coach and team in a mighty "well done."

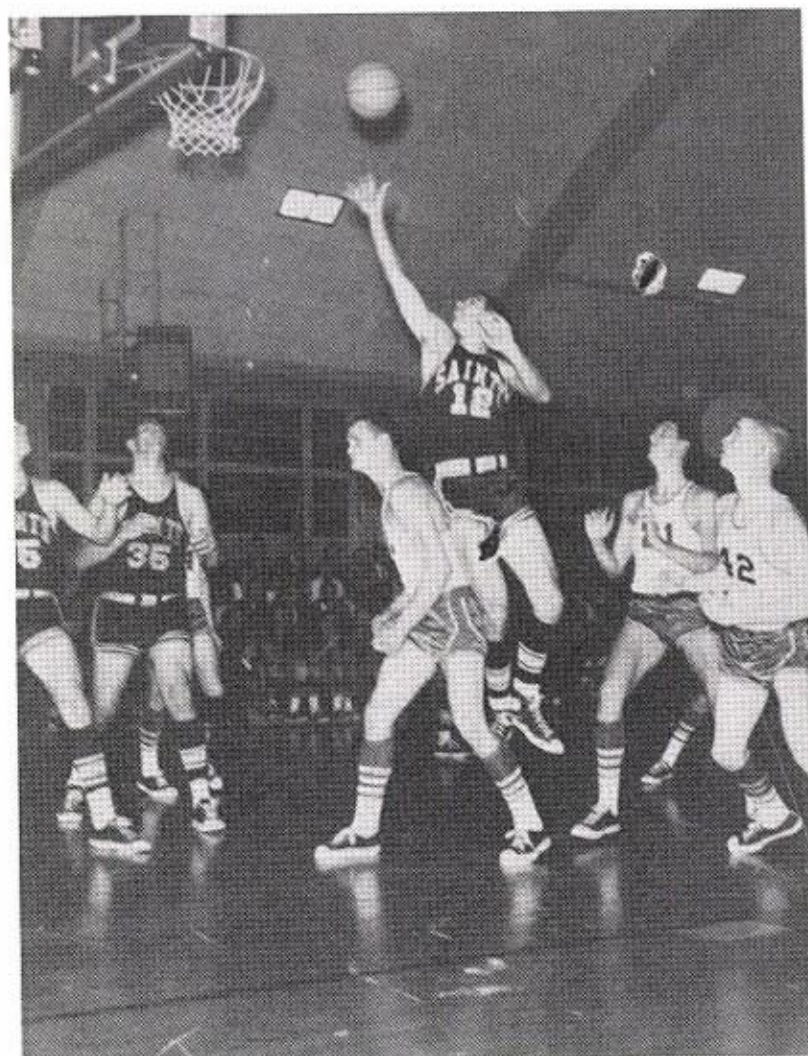

Mike gets up to help George sink-in another basket.

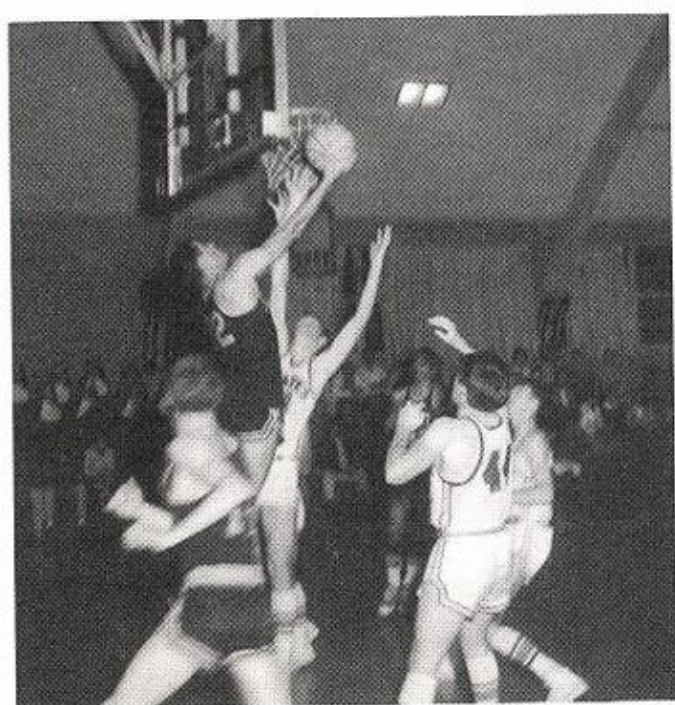

Despite the opposition Tim gets those critical points up and in.

Cees and Bees show

great promise for next year's Varsity.

Coaches Robinson and Torres led their B and C Teams through highly satisfactory seasons. Our hard-driving JV's rolled over their opposition with few reverses.

Mr. Robinson and his B Team started off their year with a series of defeats, the sting of which resulted in a brilliant record of wins for the rest of the season. Bill Borchard and Woody Hansen were especially noticeable members of this fine team.

The Cees claimed the championship with an undefeated league record. The outstanding members of Coach Torres' Club were Sam Cvijanovich and Dennis Lang.

As the spring season arrived at Santa Clara, more athletic organizations are officially active than at any other time. Due to our deadline we are unable to report the results of the work done by these teams; however, the efforts put out thus far by track, baseball, and tennis teams seem to indicate good seasons for all. We hope that the hard work and training put in by our teams pays off to the highest possible degree.

Although they lack the popular support given other sports, these teams work as hard and play just as well as those of the year's earlier activities. For this work Santa Clara is grateful and so we will say to our teams and coaches, "Thank you and good luck."

Hoping to make Santa Clara's Varsity, the "B" Track team works out each night. They are: (kneeling) Yoshikazu Swanson, John Hernandez, Bob Williams, Greg Berlie, Robert Maxwell, Michael Reynolds; (standing) Coach Burdullis, Richard McGrath, Stephen Kipp, James McGrath, Philip Kincaid, and Simon Borelli.

Under deadline pressures the staff knows they must follow the ladder for good yearbook production. They are: Bruce Brewster, Elaine Camuti, Ronald Clement, Sandra Bulger, Mary Scott, and Timothy Davis.

Peggy,

Well our friendship has really been great,
I sure hope it will last for many years
to come. I just can't think of all the
Bitchin times we've had, especially room 113
what fun!! I think that ended most of
our fun huh!! It will be quite a while
before I will want to go over to the "Ventura
Court House" I suppose you feel the same
huh!

Kate

Peggy,
I suppose I am
going to write a
sad story of how its
been so much fun having
you in my class. Well your
wrong. The only thing I want
now is how glad I am we're
out.

See ya,
Linda

Peggy -
It sure has been
a real pleasure to pass
few years. I sure hope
our friendship doesn't end
at graduation. Good luck
in all your future endeavors
"65" - Bob

Peggy, we have just about
well, we have just about
made it - graduation is just
over. I hope you will only
forget all the times we
have been good to each other
that our good times will only
continue in the future. Good
luck in the future. Love
Gwen

Peggy,
disturbed at 2
fun time, post couple
of years. Hope that we can
become better friends.
Always remember that
exciting night at Mills, with
